WOW, WHAT A YEAR! God has blessed me to continue on this journey of telling people about Him with the help of Open Air Campaigners. God has been with me this year. I've learned a lot, and although sometimes onslaughts from the enemy make it seem impossible to carry on, God has always shown me and my family His faithfulness and that He is for me, no matter what.

THAT IS WHY YOUR PRAYERS, encouragement, and financial support have been so crucial this year. And by no means stop! :-)
The enemy does not want me or my family to reach the lost. He would love for all of God's children to wallow in fear, doubt, and discouragement. But God's will is to have confidence in who he is. In His mercy, God shows His power in action on the streets and kids' Bible clubs, as I and the Baltimore-Washington branch share the love of Christ in our area.

OUR KIDS AT OUR GOOD NEWS CLUB in Crofton, Maryland continue to ask great questions, and we have added some new kids this year who are very open to hear the message. It's been such a blessing to teach the kids, answer their questions, and have my mom volunteer with us this year :-).

DOORS HAVE BEEN CONTINUING TO OPEN as some churches have blessed me with the opportunity to do ministry with them. I even helped to monitor the progress of our Baltimore Sketchboard Evangelism Training students. The OAC National Conference this year was such a blessing! God willing, I look forward to the next conference, as well as the International Conference in 2020 in Jamaica, something I'm currently raising funds for and am letting others know they can help me as God leads them.

SHARING WITH KIDS AT OUR LANGLEY PARK OUTREACH

PLEASE CONTINUE TO PRAY FOR ME, that God would strengthen me in Him and draw me closer to Himself.

I PRAY YOU WOULD BE ENCOURAGED as you read my newsletter to reach the lost for Christ in your community and wherever God has placed you. Please enjoy checking out what God has been doing in this pictorial edition of my letter.
