# John & Sue Cutlip Update

## Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

**BELIEVE IT OR NOT**, 2019 is almost history. Sue and I have had a fruitful year and look back over the past 11 months marveling at how fast they have gone. Our lives have truly entered into another phase, as this has been the first year with no children and no parents in the house - just the two of us! Our new routines now include expanded time being involved in our local church and in the OAC ministry. It's great to serve a God who is rock solid, never changes and offers a firm foundation which never shifts and gives stability in all we do. Another great blessing is knowing and having friends like you. Thanks for allowing God to use you in this way.

**WE ALSO THANK YOU FOR PRAYING AND GIVING** so we can continue on. We appreciate and continue to need your help in this way.
