John & Sue Cutlip Update

Open Air Campaigners - Central Services

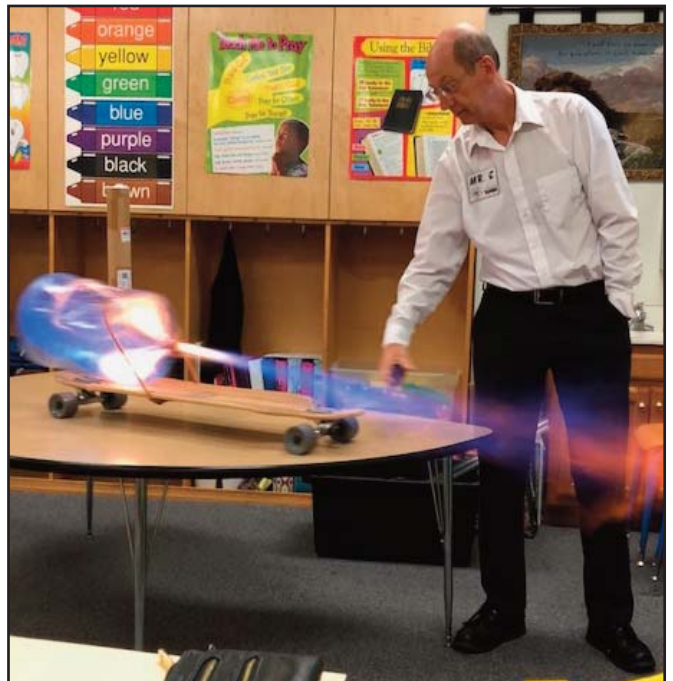

OAC ♦ PO Box D ♦ Nazareth, PA 18064

THE YEAR 2019 is now behind us. Sue and I look back with thankfulness at God's graciousness and provision for His blessings to us as individuals, as a couple, as a family and as a ministry. Since our last update, I was able to participate with our OAC branch directors from around the country as we gathered for a conference week up in Maine. I was also able to conduct some gospel presentations using science demonstrations and started working on preparing for a host of year-end tasks needing attention to keep our OAC administration current and ready for the new year.

NOW THAT THE NEW YEAR is here, we look forward to what God has in store. In addition to the ongoing monthly outreach, administration and family events planned are the following special dates on the calendar that will keep us busy in the ministry to which God has entrusted us. These upcoming ministry highlights include:

- * A **spring break outreach** team from Liberty University which our mission will be leading again this coming March;
- * I will be preparing agenda and related items for our mission's national **board of directors' meeting** conference in April which will take place in the Philadelphia area;
- * Our OAC Jamaica branch will host an **international conference** in May;
- * Sue and I will **host an OAC missionary couple** from the country of Spain in our home in May;
- * The OAC national **Sketchboard Evangelism Training (SET)** sessions are planned for June;
- * Our week-long OAC **family conference** will take place in Indiana during November.

WE THANK YOU, AGAIN, FOR PRAYING AND GIVING so we can continue on. We appreciate and need your help in this way.
