

**Presenting Christ by all
means everywhere!**
1. Corinthians 9:22

Dear friends,

Riverton, March 7th, 2020

Since the middle of October it has been very cold and several snowstorms brought a lot of snow! Therefore, it was impossible to do regular open airs. Instead we visited folks for follow-up and discipleship. We also kept busy with the Bible Studies in the prison system and at Set Free. At Wal-Mart, and while shopping at Safeway, God allowed several special divine appointments! The one with T. + J. was very special. T., an Indian lady, whom we had met through the services in the group home, recognized us and introduced us to her younger sister J. with the words, "She reads the Bible!" One year back we had met Tyler on a hike, too. Every time she listened eagerly and asked good questions, also when Shoshanah painted the Menorah and the 10 Commandments on the sidewalk two years ago. But the conversations always ended with, "I don't need the Bible." Now, after our half-hour conversation, she accepted a gifted Bible. Her sister began to read the Bible on her own last year, now she is in the Psalms; she takes notes because she just knows that there is a lot to learn from this book. Both received Shoshana's latest tract, "How and Why One Must Be Saved." Pray that they can clearly recognize and accept God's plan of salvation. You see, God himself organizes the follow-up! We also heard from Terry, an ex-inmate with a Mormon background, whom we were able to reach many years ago at the Honor Farm. He he is now happily married and goes to prisons in Utah to teach the Word of God. PTL!

Unfortunately, we are not allowed to take pictures in the jail and in the group home. This picture was taken on February 19th at the Christian Food Store House. After the message, the men took the caps off their heads and everybody joined in prayer. Only God sees the hearts, we have done our part and scattered the seed, the truth of His unchangeable Word. Pray that it will fall on good ground, that sceptics will become believers, and that believers will be encouraged to follow their Messiah more closely.

In Israel, we will organize a program through which serious Bible students can learn Hebrew in the land of the Bible itself. This will give the student a better knowledge of the geography and the Hebrew culture. It is important that preachers, pastors, and youth leaders in particular learn about the Hebrew context of the Bible. However, existing language programs in Israel are very expensive. We hope to be able to offer affordable alternatives soon, stay tuned! Pray that in the preparation of this program we may experience God's guidance and wisdom. We are looking at facilities close to Beersheva and in Galilee (Nazareth). From both locations visits to Jerusalem and other important Bible places will be included in the curricula.

The itinerary for our ministry journey to Israel, France and Switzerland, from the beginning of April to the beginning of June, can be found on the back. (For E-Mail recipients: Attached!) Therefore, there will probably be some "radio silence" at this time. Thank you for your understanding! Thank you also for all your support and prayers.

Greetings in our Savior's Name and God bless
Kurt + Shoshanah
