Praises

- * Praise for the neighborhoods which have been open for us to conduct ministry.
- * Praise for the adult ministry locations, which have also opened up.
- * Praise for the heartbeat of Calvary Chapel Brandon to continue reaching God's children and lost souls with the Gospel.
- * Praise for this season of isolation, which gives us extra time to be still and know who God is, as we meditate on His Word; let us be listening for God's voice (Isaiah 41:10; Psalms 94:19; 2 Timothy 1:7; Psalms 23:4).

Prayer Requests

- * Pray that we will remain faithful to our Lord.
- * Pray for lost souls to turn from their sins (repent) and trust Jesus.
- * Pray for the leadership of our country to come together with wisdom and the fear of God.
- * Pray for our country to experience revival, so we may be the salt and light in this world of darkness.
- * Pray that we would give God the glory for all the great things He has done.
- * Pray for God's people to rise up and be bold in sharing the Gospel. We are praying for this virus to come to an end so we can get back out on the front lines. But with this said, we have seen how God uses all circumstances for His purpose and glory. Let's pray that folks use this time to draw themselves closer to the Lord and that many will become children of God.

"He saved us, not because of the righteous things we had done, but because of His mercy. He washed away our sins, giving us a new birth and new life through the Holy Spirit."
Titus 3:5

Dear Brothers and Sisters,

We are thanking the Lord our God for the blessing and the hope He has given to all His children. We are also praising God for new opportunities in these challenging days to share the Gospel and expand on His Word, the Holy Bible.

Diane and I are now working with Calvary Chapel Children's Ministry, Brandon, Florida. The church will be videotaping a weekly Bible lesson I present on the sketchboard, which will be presented to the children at Sunday morning services. Included in this video will also be a brother in Christ who will share a devotion using his juggling act. I thank God for your partnership with us in this new journey of sharing the Gospel. The website link for the first of these videos is <https://youtu.be/KD4qmzD9fY4>. Please pass this link on to all your friends and family. Let's watch our God do great miracles, not only with His children but lots of souls who will tune in. We have plans also to record a series called; "The Early Life of Jesus."

This has been an exciting year so far. January was spent conducting a lot of pioneering meetings in the open air and preparing for the teams coming to us from Canada and Liberty University. We had nine students and five staff members from Liberty University for our Miami spring break ministry outreach. The group from Canada consisted of six students and three staff members. The Lord led us to three different neighborhoods where we conducted ministry for children. We also had the opportunity to conduct ministry to adults at five different locations. We praise the Lord and give Him the glory (1 Corinthians 15:58).

As you will see from the many pictures in this letter, God has brought lots of opportunities our way in order to share the Gospel. We want to thank each and every one of you because, without your prayers and support, this would not be possible. Again, **thank you so much** for being a partner of the ministry God has called us to.

God bless - we love you,

Richard & Diane
