“It is necessary to pass through many troubles on our way into the kingdom of God.”

Acts 14:22b

Mardi Gras

In February Chip was blessed to be able to do ministry at Mardi Gras! Another amazing adventure!

Street Ministry

You can tell it's winter in Texas! Chip is actually wearing a jacket. Street ministry is on hold due to COVID-19 restrictions.

Shop Work

Our garage is Chip's "shop," so he has been able to continue building leg kits and blacklights.

SUMMER PLANS

Under normal circumstances, we would deliver the shop items to our home office in PA on our way to camp in Vermont. Unfortunately, current circumstances are anything but normal as a result of COVID-19.

Please pray with us as we wait to see what the Lord's plans are for us.

Dear Ministry Partners,

This time of year we normally ask for help with the travel expenses for the upcoming trip to Pennsylvania and Vermont. This trip would usually cost on average \$1500. Since we're still planning to make this trip in June, we're still asking for your help. Because of the uncertainties of the future at this point, please be assured that, if this trip doesn't happen, your donation will still go toward ministry expenses. Your ongoing support is what we rely on to continue in ministry.

Thank you!

Psalm 46

¹⁰ "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth."

¹¹ The LORD Almighty is with us; the God of Jacob is our fortress. Selah

Looking forward to what the Lord has in store for the future! May He find us faithful!!

Thank you all so much for your prayers and support! Love, Chip & Kim
