

**Presenting Christ by all means everywhere!**  
1. Corinthians 9:22

Dear friends

Riverton, June 2020

With this letter you should receive pictures from Israel, Switzerland and France. But you know why this journey had to be re-scheduled. We hope to do part of it in August, or, God willing, all of it in Spring 2021.

In the last letter we mentioned that J.W. needs a job. We asked him to paint our shed and he does mow lawns. Keep praying that he will find a steady job before winter. Because he is slightly handicapped, it is not easy for him to find a job; God will have to open the right door for him.

There are only a few printed copies left of our booklet "Indian Symbols Tell The Gospel". (Order from [www.oacusa.org/resources](http://www.oacusa.org/resources)) The booklet is often used in Bible camps. It can easily be given as a gift. May the readers understand the message of repentance + forgiveness through the blood of the Lamb. We thank our printer, Jim, and John of the OAC-USA central office, who helped us to create a digital pdf version that can now be sent to interested contacts. The Gospel is clearly explained.

At the lake N.S., a young Mormon lady, who as a child participated several times in our Bible camps, recognized us. She introduced us proudly to her own family. She commented that she still remembers some of Kurt's sketch-board sermons and keeps praying every day. However, she wanted advice on how to involve her children more in Bible reading. We gave her a Gideon's Bible in modern English, encouraging her to simply start reading daily portions with her family. Pray that through this they will all get to know Yeshua (Jesus) as their personal Savior.

At Shavuot (Pentecost), one of the 3 Harvest Festivals of God, strong winds ripped the painting apart. We stitched it back together. God blesses us with earthly harvests, but is more interested in harvesting souls! After, at the first Pentecost, the Israelites had heard God proclaim HIS instructions (Torah) with a thunderous voice, accompanied with fire, an earthquake and an increasingly loud shofar blast, they promised to guard and obey HIS Word. But shortly after the incident with the golden calf happened. Satan always attacks when someone wants to draw closer to God and HIS precepts. Thanks to the second Pentecost, God HIMSELF, through the Holy Spirit, helps us to live for HIM, for the

Holy Spirit and HIS GRACE are our teachers! (Titus 2:11-12) May our listeners, and we all, be teachable!

This was the first bigger meeting after the lock down. It was good to see our friends face to face! We trust that you all are well and that you could also experience God's hidden blessings during this time. We do thank you for your faithful prayers and support!

Linked in prayer – God bless + Shalom Kurt + Shoshanah
