We're sending this newsletter to highlight how God has been working during **COVID-19!** There are more details about the many other things God has been doing lately at <https://www.facebook.com/SohmerFamily/> or at <https://Luke-15.org/blog/>. Jesus is still seeking and saving the Lost, and that's very exciting!

Life has changed dramatically since our last letter.

Just a few months ago, we hardly used words like: *social distancing, pandemic, flatten the curve*, etc.

But there's GREAT NEWS: Jesus is still King, and Jesus is still using you and me to reach people!

Are you all safe and well? This "new normal" has heartbreaking consequences. Depression is skyrocketing. Suicides are up. Please contact us if you'd like prayer. We'd love to pray for and encourage you!

The Lockdown did have some good results. For example, Mark has been wanting to build an Evangelistic Website for years, but never found the time. But during the first weeks, he got it done!

We're excited that a new website is now available for you to share with your unsaved friends and family!

Please visit <https://Great-News.org> for an engaging and thorough Gospel Message.

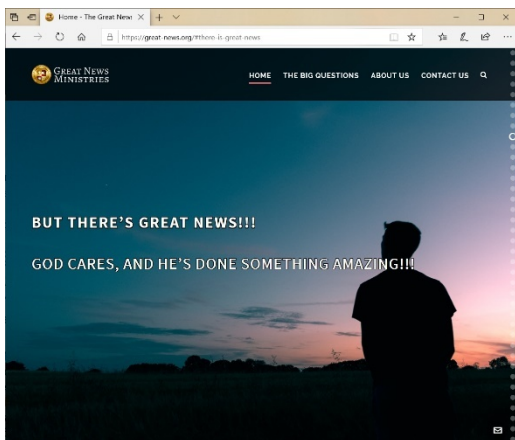

And please share it with others!

We did lots of training by Zoom and YouTube.

Mark preached at Churches and Chapels, sometimes by video, sometimes outside, and sometimes inside.

There's plenty of new videos for Adults and Kiddos at: <https://www.youtube.com/SohmerLuke15>

Now we're back outside, reaching people at the Beach a lot, and at the Abortion Clinic every week as well.

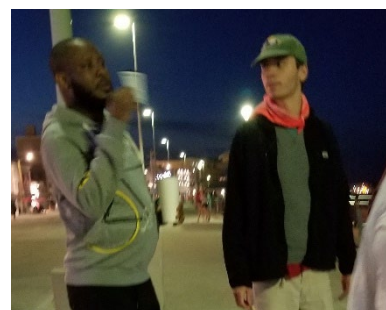

When there's a Pandemic, people get really open to talking about Eternity, Jesus, Sin, and Salvation.

The Beach is TERRIFIC for Christians to be trained in Evangelism.

Mick came out to be on the team, but he was scared.

Yet he started a conversation with a

stranger named Will. Afterward, Mick said, "**Wow, Evangelism is Contagious!**" One more Christian who now is more willing to share the Gospel without fear!

We are a faith-based ministry and are 100% reliant on donations from those who support our work.

Would you join our Ministry Team with a monthly donation?

Monthly and One-Time donations keep us on the streets talking to the Lost about Jesus.

You are reaching people for Christ through us. Thank you for your commitment to this ministry!

<https://donate.Luke-15.org> has instructions to join our Ministry Team. Please contact us (603-244-6292 or mark@Luke-15.org) with any questions.

We thank God for you! With love in Christ,
Mark, Shelby, Vivienne, Juliana, Caleb & Gabriella

We've run into these High-Schoolers at the Beach multiple times. And every time they hear about Jesus!

This pretty young lady joined us at the Abortion Clinic with smiles and giggles. She's missing a hand. Her Mom in China chose Adoption over Abortion. When we pointed out to the Clinic Workers that they'd abort a baby for that condition, they got silent.

We met our Governor at the beach. He accepted a Gospel Booklet from us!

Heidi praying for Danillo. Strangers really do spill their hearts out and ask for prayer. He took a *Gospel of John*!

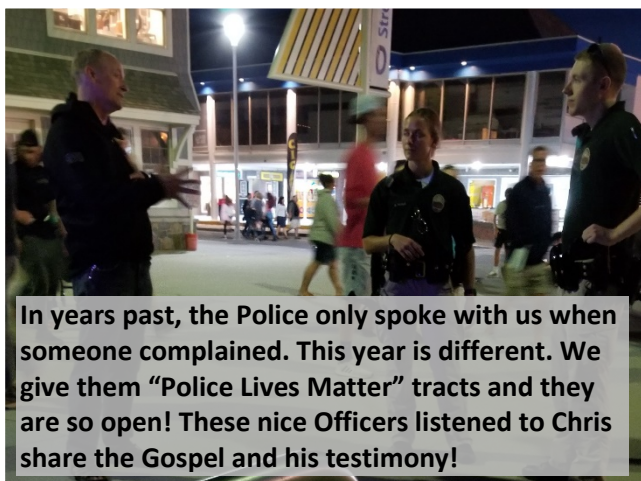

The Food Ministry in a near-by city is a SUPERB place for outreach. If you look closely you can see Mark using his paint-board to share the Great News with hundreds of people.

Wayne using a "brain teaser" to share the Gospel with this kind family.

The Clinic put out the sign on the left, so we put out the sign on the right. We like ours better!

In years past, the Police only spoke with us when someone complained. This year is different. We give them "Police Lives Matter" tracts and they are so open! These nice Officers listened to Chris share the Gospel and his testimony!

Training Christians via the Internet has become commonplace recently. Please check out our new videos at <https://youtube.com/SohmerLuke15>
