HEADLINE NEWS: KEEPING ON KEEPIN ON!

Praise the Lord and pass the seat belt - God answered our prayer to be able to replace our old-ailing OAC van with a much newer model by the end of 2020!!! So, 2020 wasn't all that bad, though it had its moments (and months). Thanks zillions to those of you who were able and willing to chip in and be the Lord's conduits of grace to us in our missions calling so we can keep on keepin on truckin for Jesus! Using our old van last year, we were able to distribute over 10,000 Gospel tracts to homes-families, and individuals throughout our region here, and tens of thousands more over the last 5 years we had old "Blackie." Now we've entered a new era with "Grey-hound" above, and already (this past month) we have distributed hundreds more Gospel seeds, as God "wants all people to be saved and to come to a knowledge of the truth" (1 Tim. 2:4).

Also, our OAC van provides invaluable service in doing errands for our OAC HQ support services operations that keep a multitude of National & International evangelists and witnesses going and supplied to facilitate a Nationwide & Worldwide spread of the Gospel, for the glory of God, and for the good of many hundreds of thousands of people.

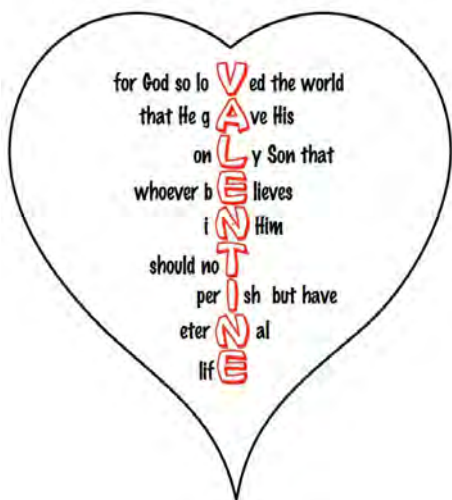

As Jesus was especially concerned about ministry to children, so we are keeping on keepin on, actively involved in reaching and teaching kids about the God of the Bible and the Gospel of God!

Happy Valentine's Day coming up, and Happy 40th Anniversary this month to my forever sweetheart bride, Renae!

John 3:16

**MY NEW TRACT FOR THE TIMES
ARE YOU READY
FOR
THE RAPTURE?**

We are right on the brink of the most tremendous or terrifying event in all of human history, depending on whether you are ready for it or not – THE BIBLICAL RAPTURE!! It may seem too incredible to be able to come true, but the Bible prophetically declares this soon coming event, in the generation that sees Israel & Jerusalem restored to the Jews, which already happened, decades ago. It will involve the sudden, supernatural, instantaneous and simultaneous vanishing and removal of what would now be hundreds of millions of men, women, and most little children from planet earth, which will absolutely shock the whole of humanity to its core. That may seem like crazy alien-abduction talk to some these days, and indeed that will surely be considered as a possible cause when it happens. However, the truth of the matter is that the Bible, once again, as always, will prove to be Divinely true in another supernatural fulfillment of its futuristic prophecies (as it accurately did about previous times), regarding these end times before God will manifestly appear in the second coming return of Jesus Christ to finally establish His Kingdom on earth, with the people who joined it beforehand. So, what is the rapture about? God will remove all of His truly Christ-following people (to Heaven) just several years before Christ's return, and the world will enter into a period of great tribulation in the battle between good vs evil (God vs Satan and his Anti-christ global government). People will have a final opportunity then to choose the truth of Christ over the Anti-Christ, but it will be at the risk of their lives, as the world government will seek to execute & eliminate all Christian-converts at that point. Also wars & cataclysmic catastrophes will shake up the whole planet, as God will demonstrate His righteous wrath for humanity's bent on sinful idolatry & immorality & satanic-deception, in contradiction to His Bible truth. It would be much better to choose Christ now, before the rapture. But even after, it will be a matter of eternal life or death. So please, carefully consider the enclosed 4 main Bible truths, regarding your life's purpose & fate, and choose wisely!!!

- **Please pray for** our Grandkids, and our adult kids, to seek & follow the Lord's will for their lives, and receive his provisions & protections & directions & blessings for living lives of eternal distinction and fruitfulness in glorifying & pleasing the Lord!!!
- **Please pray for** the new great awakening & revival needed to sweep across America & Canada, to predominantly trust in God and the Bible again, and for OAC & us to be blessed & used of God to play a faithful & fruitful, and even more extensive role in helping with that. America is dangerously on the brink of a **SECULAR-HUMANISTIC-HEDONISTIC-SOCIALISTIC** take-over which would be terrible for everybody.

OUR PRAYER CONCERNS

- **Please pray for my (Michael's) ongoing blood-pressure & sugar & heart health concerns, and Renae's recovery from her Hips & Back & inner nerves and other surgeries.**
- **Please pray for** God's blessing in finding a receptive publisher for my finished book re-titled "THE GREAT CHRISTIAN LIFE!"
- **Please pray for** God's provision for all our needs in 2021, especially the several thousand dollars more needed to replace our personal family vehicle this year, which is pretty much the same as the shortfall in our support for 2020, if any want to help remedy that.
- **Please pray for** special unspoken needs situations, and prodigal problems within our family, and salvation for many unsaved relatives.
- Also, we are well into a new era of increased hostility towards Christianity, and I believe the Biblical tribulation is just around one of the next near corners. This is no time to cut and run, but to keep on keeping on for King Jesus even if we become casualties for Christ in the battle of the ages between Satanic forces and the Church of God. **Please pray we will stay ever faithful and bring glory to God whether by life or by death! Hang in there dear saints of God – our Savior is mounting up and ready to ride to the rescue, along with all of us as part of Calvary's cavalry (see Revelation 19)!**
