This picture shows the Ben-Hinnom valley South of Jerusalem. The green above the ridge is known as "The Potter's Field" or the "The Field of Blood". This place embodies the fulfillment of Zechariah's prophecy (11:12-13) that the Messiah would be sold for 30 pieces of silver and that this money would be thrown into the Temple and then be used to buy this field, naming it also "The Field of Blood". (Mt. 26:15, 27:3-10, Acts 1:16-17) This event teaches us several Scriptural principles. 1) God's Word always gets fulfilled. 2) Even though Judas followed Yeshua (Jesus) for many months, he had different expectations for the Savior, namely to be a military conqueror, to set Israel free from the Romans. But the Son of God came to set us free from the bondage of sin and then, by putting His Spirit into our lives, teaching us how to live for God. 3) May we meet God's expectations in us, as His disciples and as the Messiah's followers! May we do better than Judas!

Through our messages in Israel, France, Germany and Switzerland people heard clear Gospel presentations unto salvation by faith through grace as well as the challenge to live according to God's instructions. We need to get ready, for our King and Bridegroom is coming back soon! We trained believers in "Open Air Tactics" + "Teaching the Bible with Visual Aids", taught on "The Parallels of the Official Passover Lamb + The Lamb of God", "The Exodus Discovered", "Recent Biblical Archaeological Finds in Israel!" and "Biblical Archaeological Evidences Worldwide". If you are interested to see these presentations, we will be glad to translate them into English and present them to your congregation or Bible Study group.

We visited a cave where the Anabaptist had to hide after the Swiss reformation, since the newly formed State church, which kept baptizing children, declared those who baptized adults, to be heretics. History is interesting; always those who want to be closest to Scripture are persecuted the most! May we all remain steadfast in His Truth!

**Future:** As of August Kurt will enjoy "active retirement". This means that the biggest part of our salary will come in through the Swiss social security plan. It will **not** cover 100% of our living expenses; still we won't need that many donations anymore. We share this now, so that you can pray, whether you want to continue to support us, or invest elsewhere in God's kingdom. God has been faithful for the last 38 years – we know HE will continue to do so and balance it all out. In 2020 we plan to take more Hebrew lessons in Israel to be better equipped for our discipleship ministry. How could an evangelist / Bible teacher retire when there are still more souls to be saved and saved ones to be trained. Only our health might slow us down a bit. *Thanks for your awesome faithfulness in giving and praying for us all these years – your reward is waiting in Heaven!*
