

Begins in Luke 15:11

Dad and 2 sons had it good...lived in nice HOUSE

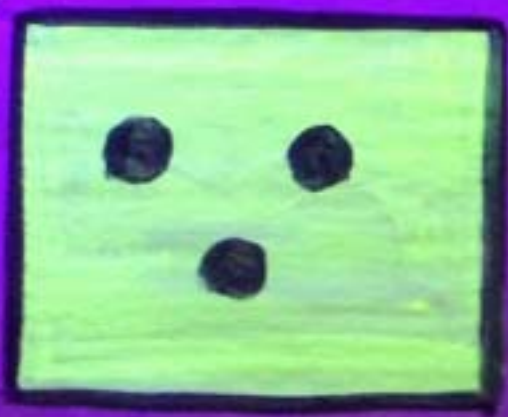

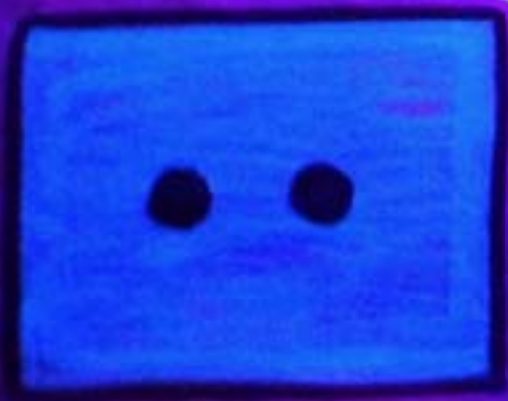

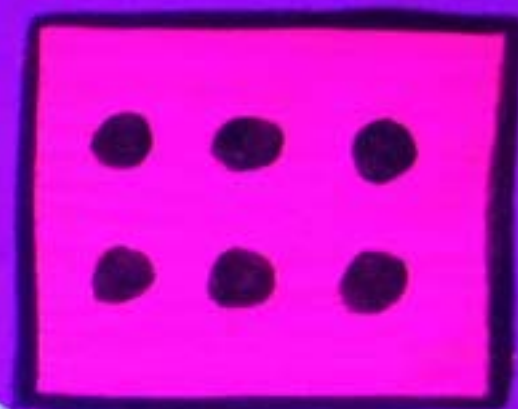

Younger son gets inheritance...wastes it...famine hits...get job working with PIGS

Comes to senses...realizes Dad's servants had it better than him...But fearful to go home...Thought Dad would be ANGRY with him

As gets close to home, Dad runs to him...Is HAPPY to have him back home

Some people see GOD like the Dad...Think He's angry with us because we SINned against Him...The Lord is angry with sin and will judge it, but He made a way back to Him thru JESUS/Gospel

Also, the dots of the dice total to 15, the same chapter of Luke where we find the story
