December 2020

"...my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid." John 14:27

Praise the Lord for His promises! In the verse above, Jesus encourages our hearts. In the next verse, Jesus tells us why "I am coming back again."

As different as 2020 has been, we are praising God for His faithfulness! In this picture on the right, we are preaching at a Teen Retreat in February. Who knew then all 2020 had in store! Some doors of ministry have closed and others opened.

It has been a while since our last paper newsletter, so Kimberlee and I thought we would send a "Year in Review" version. Also, just to let you know, we email an update near the beginning of every month (up-to-date pictures, testimonies, prayer requests, etc.). If you would like to receive our updates,

Michigan High School Ministries

High School Ministries were going strong until March 13th, when Covid-19 changed things. We tried Zoom for a few weeks (picture on left) but there is no substitute for in person! **Please be praying that we can get back into these schools before the end of this school year.** The longer this absence continues, the more difficult it will be to restart these programs. God,

I did get to speak at Spring Vale Academy this November.

Kid's Meeting - Baltimore, MD

Sitting on a park bench, Tavon and I talked for about a half hour. He has a HARD life story! He was very sensitive to the things of the Lord. He is what I believe Jesus calls "the lost". He didn't know who God is, why, where... As I talked, he would ask questions for clarity on the gospel. He prayed with me and asked if I would pray for his cousin (Jerome) and then his girlfriend

“Having this ministry by the mercy of God, we do not lose heart...we refuse to tamper with God’s word, but by the open statement of the truth we would commend ourselves to everyone’s conscience in the sight of God.” 2 Cor. 4

(This painting above) has been a direct conversation starter at the colleges. Interesting answers we get from students.

(Picture to left) is a conversation with Owen at CMU. He thought that Jesus showed us the way to be good enough to have the right to go to heaven. We read Rom. 3:20 and John 1:12 together. The “right” to become a child of God is earned by Jesus! 2 Cor. 5:21 tells us how we are made righteous. Owen was grateful and thanked me for sharing this with him. He said he had been

Journal entry from 9-29-2020

"We were at University of Cincinnati for college ministry today. They have a strict mask-wearing policy. We wear them cheerfully, as this allows us to still reach the nations. I talked to Rohit, a PhD student from India today. What a blessing to see him (a Hindu) go from zero knowledge of the scriptures and Christ, to seeing his understanding and eyes begin to open. He asked so many deep and thought provoking questions about the virgin birth and what 'Deity' meant. The main question we addressed: Is there only one pathway to God? We talked about the transcendence and immanence of the true Creator God (Heb. 1:3). 'I have many more questions I want the Bible to

Camp Barakel

Covid-19 canceled a scheduled missions trip to NYC this summer, along with a couple speaking weeks at camps. BUT instead, we were able to get three work trips to camps this summer. **“Mending our nets”** was a phrase we used in OAC this year. If circumstances won’t allow you to go fishing, “mend your nets” and be ready for the time when you can. What a blessing to be a part of this endeavor at these dear camps, as they also were not able to “fish” as much in 2020. Blessed times with my sons too.

Family is a blessing!

So thankful we were able to get together with Kimberlee’s parents in South Carolina this year. Also, thankful that our annual Harmon family consecration wasn’t

Open Air Campaigners is an evangelistic ministry of preaching the Gospel to lost people and mobilizing the body of Christ primarily through effective open-air outreach.

“Additional Responsibilities”

As of November 1st of this year, I became the National Field Director for Open Air Campaigners. This has been in the works for the last five years. This will add new responsibilities, in addition to what we do here in Michigan. I will be overseeing the USA branches and staff activities by visiting and adding council and insight where needed. I love our staff and what God is doing in and through OAC. Please pray for me to have wisdom and grace to walk faithfully and serve faithfully. We have 15 branch locations in the USA and 8 ministry areas. God has blessed us

Have a blessed Christmas season.

Thank you for partnering with us!

We could not do what we do without you. We are thankful to our Heavenly Father for the gift of fellow brothers and sisters in Christ. Thank you for lifting us up before the throne. So many answered prayers for our family this year. Thank you for being in it with us. We love you. Praise God that all His promises are sure.

Until the net is full,
