

OAC Texas Evangelism News

Rick & Dovie Moore

August 2021

In May we held the once in a decade OAC Family Conference near the Answers In Genesis ministry in Kentucky. We visited the Museum one day and the Ark Encounter the next. Who knew Noah parked that big thing in Kentucky!

We are grateful to God that He has given us a busy, fruitful Spring /Summer of ministry. The world is awake and out again. It's to our benefit that people feel the freedom to go outside, and evangelism opportunities abound.

We believe the seriousness of the pandemic and the concern for all the issues in the USA has caused many Christians to renew their commitment to serve the Lord by evangelism. We all have good intentions, but these trying times have been the catalyst to turn those intentions into actions. The result is we have more people volunteering than we've ever had since we started The Dallas Branch of OAC. We are grateful to them and give praise to God, as this has been an ongoing prayer.

Our desire is not just to have help, although that is a true blessing, but our prayers are that through OAC Dallas many people become equipped and confident to go out on their own and share the gospel as they go.

We truly appreciate your diligent prayers and your generous giving to the work of the Lord through us for evangelistic purposes. Through your generosity we are able to purchase Bibles, evangelistic books, gospel tracts, and other follow-up evangelistic materials to give to children, students and adults. Many, many hear the gospel each month, and some unbelievers come to repentance and place their trust in the Lord Jesus. Many believers are encouraged by seeing that you can talk to strangers in public, and some want to get involved with their church in serving others. Were it not for your prayers and support none of the above would be possible. **WE HUMBLY THANK YOU!**

Please enjoy the pictures of the fruit of your generosity which feature many of our volunteer team.

Harry Gibson, our Bible class teacher, came out to Rockwall to help us share the gospel. He has a heart to share Jesus with people.

Tony in Rockwall talking people through the riddle so he can talk to them about Jesus.

Raul in the blue shirt, sharing the gospel with a young family at a park in Dallas.

Moises on the far left is sharing The Good News with a few people at Ron Kirk Bridge in Dallas.

At the Harbor Linda is helping a couple of kids solve the riddle so she can begin a gospel conversation.

This is Natalie and Fabio. Dovie spoke with Natalie last year and she came to say hello to Dovie. Dovie shared the gospel with both of them and Fabio came under conviction. He could hardly speak. He said he wanted to repent and trust Christ.

A few weeks later, Natalie was back at the Harbor with her mom and she brought her mom over to meet Dovie. Dovie had been talking to Natalie on the phone a few times and her mom, who is a Christian, just wanted to thank Dovie for helping Natalie out spiritually. Dovie and Natalie are planning to meet soon. You are helping us make a difference!

Mike in the hat, shares some good news with a couple in Rockwall. Mike first saw OAC style ministry years ago in the Northeast and recently has gotten involved with us here.

Here's a new friend Dwayne. He's sharing with a lady in Galveston. He and myself stay at Kelly's house on the coast. We drove to Galveston because we heard they had unsaved people there. :-). This was a fishing trip for men!

Kelly in the hat on the right is sharing the gospel with a family in Galveston. He'd never done this type of thing before but he let love and desire overcome his fears and his inexperience. I was excited and proud of him.

OAC/USA IS TRUSTING THE Lord to use this ministry to impact 25 cities in America with the gospel through open-air evangelism and other ministry by means of strategic establishment of branch ministries by the year 2025.
