On our last hike in the beautiful Wind River mountains, we were not able to reach our intended goal. When running out of energy we met a family with two small children who also walked slowly. The husband 'confessed' that his father was praying for him to find his way back to the Bible. I told him that his father might literally pray that he would meet sincere believers like us, since we do pray the same prayer for our loved ones. It turned out that his wife is from Portugal. A while back we had written a Gospel Tract titled '**HOW to get saved and WHY**' using the picture to the left which was taken in Algarve, Portugal in 1989. Since I needed to make more copies, I

had the original in the car and could give it to them. They both agreed that this was a divine appointment, confirmed by this Portugal picture with the message that *we can trust our Heavenly Father*, and the fact that their religious background is like ours, Protestant and Catholic. We could explain that it is not religion that matters, but a personal relationship with our CREATOR GOD that HE initiated by sending HIS SON to pay for our guilt. They had questions on Creation Science and The Hebrew Context of the Bible (language, history, geography) which we were glad to answer. We give GOD the glory that HE has equipped us to do so!

On the Safeway parking lot in Lander, I became another answer to a prayer of an old lady. She was desperately trying to open up a bottle, but did not have the strength. She prayed that GOD would send someone willing to stop and help her. I gladly did, gave her a tract, and went into the store to meet Shoshanah. I felt a bit guilty, because I did not take the time to talk to her. When the shopping was done, Shoshanah went outside and I stayed behind to pay. Coming out the door I see her sitting with that lady on a bench, talking. Wonderful, GOD had saved the opportunity for us. Even though this lady already is a sheep in the Good Shepherd's flock, she was encouraged by the exchange and fellowship. GOD takes care of HIS sheep! Let us stay tuned to HIS leading to be there for one another.

Our medical challenges get more serious, but GOD is giving us the strength and wisdom. Kurt's diagnosis is two small lesions in the prostate, highly suspicious to be cancerous. More tests are planned. Shoshanah's situation is such that standard medicine has no more answer. We keep praying for GOD's intervention in our bodies and that HE will help us to remain faithful and joyful in HIM to the end. Please, do also pray for Kurt's mother who, at 93 years old, is in the hospital in Switzerland with a broken vertebrae.

Thanks for being our praying friends!

Greetings + Blessings
