2022 Spring

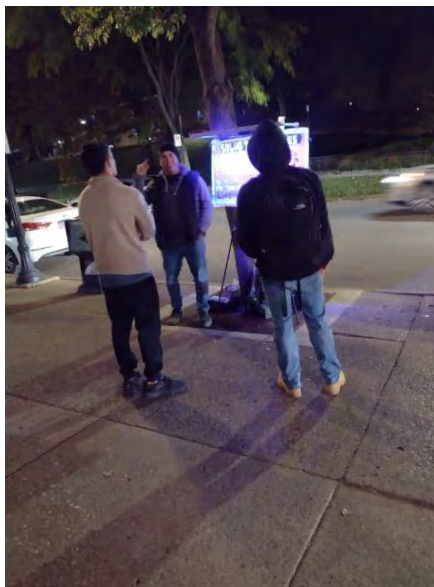

PROVERBS 2:6 FOR THE LORD GIVES WISDOM; FROM HIS MOUTH COME KNOWLEDGE AND UNDERSTANDING.

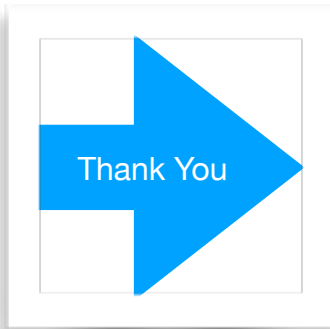

A long overdue letter. I apologize to all of you for not updating you through a newsletter sooner. It has been a difficult and rewarding last few years. I will have more pictures and less words in this update as many of you do not see my pictures on facebook. I sometimes forget that not everyone sees those updates. I was reminded by a few of my friends that I have not given an update in newsletter form in quite some time. So here are pictures of ministry from 2021-22.

These are pictures from IUP, Pitt University and, State College on Friday night. My daughter Aria went out for the first time and handed out tracts at State College. Also, Brian Harmon, the National Field Director, visited and above is a picture of us at Cal U. I praise God for the amount of ministry that I have been able to do throughout the last two years and even during the pandemic. It is truly a blessing to be the director of the Central Pa. branch. Also, I factured my arm this winter in a skiing accident, hence the sling in one picture. But, God is faithful, and I am almost completely recovered.

To all of you who have supported the ministry throughout the last several years and to those of you who have been supporters since the beginning, I would not be able to do the ministry that is occurring without your prayers and support. I cannot express in words how much you all have meant to me and my family over the many years of ministry that God has allowed us to do. I want you to know you are in my prayers, and I value all that God has allowed me to do because of your prayers and support. Be blessed!

Support can be mailed to PO Box D, Nazareth, PA 18064. Please make checks out to Open Air Campaigners with a note included saying it's for Zane & Laurie Dempsie or by visiting oacgive.org All donations are tax deductible.
