

Special Marriage Edition Newsletter!!! Spring 2022

Hey all,

I hope and pray all of you are being encouraged and built up in the Lord! It's been a while since I created a newsletter, so I wanted to update you all and share with you some important changes that have happened in my life!

Some of you know that on September 18th of last year, I married James "Jimmy" Coates, the love of my life. It was a beautiful day as Jimmy and I united in marriage under God's covenant with family and friends. We are both so thankful for God's faithfulness, love, and sovereignty in our lives.

Here's some pictures from the best day of our lives (second to our salvation):

Ministry continues in the Central PA branch. We received a visit from the Proanos (OAC Int'l director & family), who we had lunch with and hit the streets of State College, PA with for a night of ministry and they were a true blessing. We've had a great season of college ministry in the winter and spring. Now that college has ended for this semester, Zane & I head to the streets of Johnstown and Hollidaysburg for ministry during the summer. I also hope to do some kids' ministry soon near Pittsburgh, God willing, & I'm continuing to serve a kids' club for the William Baer School in Baltimore, MD online. Here's some ministry pics from the colleges and streets last year and this year:

Thank you all for continuing to support me all these years! This July marks my seventh year with Open Air Campaigners USA, and I am so thankful for you ALL! If you're reading this for the first time and wish to support my missions work, go to oacgive.org for more info. Thank you again and God bless you all!
