# From John & Sue Cutlip We Appreciate You

**Our OAC International President,** David Proano and his family are from Ecuador. They traveled to the USA and spent some time over the past few weeks visiting our USA branches. It was great to have them spend some time here at our Central Services office. To the right is a picture of the Proano family, along with co-workers Mike and Renae Bussen.

**Work continues on our replacement home.** We have been moved in for several months now, but there is still much work to be done.

**Ministry opportunities** for our work here in the States and around the world are starting to increase. As I write this letter, a group of nine students are being trained in our Baltimore/DC Branch in effective open-air evangelism techniques, and other staff are engaging in outreach from California to Boston!

**Sue and I continue to be grateful** for your love and involvement, which helps us continue in this ministry to which God has called us.
