“These things I have spoken to you, that in Me you may have peace. In this world you will have tribulation but be of good cheer, I have overcome the world.”

John 16:33

As was stated in our last newsletter, the people we encounter on the street seem to have a **sense of impending doom**. They look at the world and see that nothing seems normal or right anymore. The changes have been extreme and rapid. It makes them fearful, and the media and others keep the dreaded anxiety machine cranking out bad news for the masses to consume, especially when it fits their agenda and narrative.

These are very anxious times we find ourselves in, and so, we go out and talk to people and give them the only true antidote to a troubled heart, the Bible verse above and many like it about the Prince of Peace! Hard times are here, and harder times seem to be coming; there is only **One Way** to have peace and **One Person** who can give eternal life. Christ Jesus! The answer? Submit yourself to the Savior!

We have nine venues in DFW where we go to reach people and converse with them about Jesus, and your partnership makes it possible. **THANK YOU, WE ARE GRATEFUL TO YOU ALL!**

Come go out and minister with us; we think you'll love it!

**Please pray for us as we come to mind; we value your prayers immensely!**

## **PRAISES**

\*All our ministry equipment and many Bibles, tracts and literature were stolen from the back of our truck in April. **The praise?** People found out about it and God put it on their hearts to gather funds to help us replace it without us asking. We are grateful.

\*Chris our son, went to the ER with signs of a stroke, but thankfully, it was only Bell's Palsy.

\*Some open doors to work with other ministries.

## **PRAY FOR**

\*Healing: Dovie has 2 stress fractures in her foot and is wearing a protective boot.

\* Japheth and Sarah for salvation: I met them at different locations while out and about. I'm in contact with them regularly.

\*Local church of Indian believers that want some training. Pray that would come to fruition.

\* Rick to Galveston from July 13-17: Ministry with former law enforcement officers.

Dovie had a great talk with this young lady and her mom at the AT&T Center in downtown Dallas. Her mom was grateful for the conversation. Dovie gave her the Gospel of John and explained the value of it to her.

Rick sharing the Gospel with six Hindus, one agnostic and one Christian. They all heard the truth and took tracts.

Dovie and I went and trained a family in a small town near San Antonio, then took them out to show them our methods really do work.

Here we are after some of our training in downtown San Antonio. This simple game attracted a nice crowd and the majority stayed until I was through preaching the Gospel and there were quite a few follow-up conversations. It was a good first night of our style of ministry for them.

We hosted the OAC International President, David Proano, and his family from Ecuador for a few days at our home. They were a joy to have around and minister with. Here is David's wife Monica, talking to Mom's Connect group at our church. Her daughter, Isabella is waiting to give her testimony.
