Why: Open Air Campaigners seeks to provide premier evangelism training for you to utilize in your outreach ministry in your local church.

What to expect:

- SET is an intensive week of evangelism training utilizing the sketchboard to optimize relational gospel presentations to engage in conversations with those who hear the gospel after the sketchboard message is delivered.
- All meals are provided on the training premises. Bagged lunches (for field days) will be packed by you with anything you want to include for that meal. Please let us know of any food restrictions or allergies.
- Summer weather can be extreme in Maryland. Plan on hot, muggy days with occasional thunderstorms that can lower temperatures significantly. Field days require close-toed shoes (sneakers/tennis shoes). Shorts and t-shirts are acceptable as long as clothing is modest.
- ALL students – any food allergies? Three meals a day are provided in training.

What we would like from you:

- Email address and telephone number to contact you prior to your arrival so we may arrange all housing and transportation logistics. Any food allergies or special needs?
- Flights are best arriving at BWI (Baltimore) or DCA (Reagan Nat'l – DC) **not Dulles**
