Dear Brothers & Sisters

As Christmas is upon us, let us praise God for giving us the greatest gift of all, Jesus Christ. Diane and I pray God will bless you and your family with a very merry Christmas. We want to thank you all for your prayers, encouraging notes, and cards and for partnering with us in the work to which God has called us.

God has opened doors for us to do kids' Bible clubs three to four times a month and to conduct adult witnessing at several locations each week, including the campus of the University of Florida. The Lord continues to give us many saints to disciple and train in the work of the ministry as we read about in Ephesians 4:11-12.

2022 has been incredible in many ways. We were able to lead mission teams, including one from Michigan, one from Pittsburgh, Pa., one from New Hampshire, and one from Liberty University in Virginia. He continues to open many doors, allowing us to work with Bible students from Bible schools in Florida and taking them out to evangelize in the Lakeland, Florida, area.

On December 17, 2022, we have a significant outreach opportunity to a migrant community. We praise God that our home church in Florida, Calvary Chapel, is bringing a team to help with this. The community has 139 families and up to 400 children! We are praying to add a Bible kids club weekly as a follow-up.

As we look back at 2022, please pray for the thousands of gospel tracts that have been put into the hands of lost souls. We hope you will enjoy the following pictures of the opportunities God has given us to share the Gospel. Looking ahead, please pray that in 2023, God will open up even more doors for the Gospel.

Richard & Diane Burley

I gave this Muslim man a tract which opened up a conversation. Then I asked him who he thought was greater, Jesus or Mohammed. This led to a very interesting conversation in which I was able to share the Gospel.

Meanwhile, Diane spoke to a transgender individual who opened up and shared how he was abused when young and, as a result, became confused about his gender. Diane shared that he could get victory over this if he trusted Jesus. Diane shared how Jesus taught that He was the way, the truth, and the life and that no one comes to the Father except through Him.

Please pray for the individuals mentioned above that the truth they heard from God's Word would open their hearts to accept Jesus.
