

“He gave the apostles, the prophets, the evangelist, the pastors and teachers, to equip the saints for the work of the ministry, for building up the body of Christ.” Ephesians 4:11, 12

The **high school ministries** are such a blessing to be a part of! This year has brought some challenges. The doors were not as open to us, but God has made it possible. Many of you were praying specifically for this. **Thank you.** We are in three public high schools during their lunch hours (six clubs). About 175 students join us each week. This week, I shared the Gospel from Matt. 22:1-14, Isa. 61:10, and 2 Cor. 5:21. Be praying for these students. They were leaning forward yesterday, as the Gospel was preached.

College ministries have been wonderful this year as well. Locally, we try to be consistent at MSU on Tuesday, WMU on Wednesday, and CMU on Thursday. As I have traveled to other areas, I've gotten to preach at: USF, UC, NKU, CalU, and IUP. I'm increasingly experiencing people who are thirsty and wanting to hear about the hope that we have in Christ. Please pray for Samantha's salvation (MSU - picture on the right)

As National Field Director, I have the privilege of spending time with our staff in their OAC Branches and Areas of Ministry.

The two pictures above are of my dear wife loving on kids. Kimberlee is the best at this! She is also the best at faithfully caring for her family. As many of you know, this summer Kimberlee had some health difficulties. Many of you lifted us up before the throne. THANK YOU! Kimberlee is doing well. We are so blessed to have brothers and sisters in Christ who support us in every way. Thank you for taking the time to read our newsletter and walk with us. We would love to hear from you, too. This newsletter is an annual **"Year in Review."** We do monthly emails too. We send an update near the beginning of every month (up-to-date pictures, testimonies, prayer requests, etc.). If you would like to receive our updates, please let us know: oacmichigan@gmail.com

We have so much to be grateful for!

Kimberlee and I celebrated our 25th wedding anniversary on November 1st.

Ellianna and Zach celebrated their 1 year anniversary on November 6th.

Eli and Sarah Gilbert were engaged on October 15th. June 10th is their big day.

Titus and EmaLee were married May 21st. We couldn't be more pleased!

Isaac is in his senior year of high school. Silas is a sophomore. Lydia is a freshman and Ezra is in the 7th grade.

Christ is central in all of these relationships. Praise God for the fellowship! Thank you all for your impact in our lives. God is gracious and kind to us.

Thank you for your partnership in the Gospel!

We could not do what we do without you (Rom. 10:15). Thank you for lifting us up in prayer and caring for our family. We love you. Merry Christmas and God bless your year ahead.

December 2022

*"See then that you walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil."
Ephesians 5:15, 16*

The morning after the mid-term elections here in Michigan, I was discouraged. If I'm honest, I was upset. Protecting unborn babies was voted against, and evil looks to be on the advance. The first verses I read in my Bible reading that morning (Tit. 3:1-5) were a quick reminder from God to me. **"Brian, your mission has not changed.** The fields you are working in may change and get more and more evil, but your mission has not changed. Preach the Gospel in all seasons!" **Thank you for being in it with us!**
