

Presenting Christ by all means everywhere!
1. Corinthians 9:22

Dear Prayer Partners,

Riverton, December 2022 (RBE7 12-2022)

Ministry: The living room is ready for the students who join every Shabbat for the Bible study and a fellowship meal, we need more space! When I was in Casper they met in Lander and via Skype. I am glad that it is not all dependent on me! In Casper I participated in an outreach at the local shopping mall, reaching out to a group of teenagers who, in the beginning, were skeptical. At the end one of them came back to thank us for taking the time to talk to them, calling us 'cool dudes'.

Left: This picture shows my front door on Halloween evening. I welcomed the callers with my ventriloquism puppet, made up as a policeman. Most groups stayed for a while and heard the best news of all: "The trick to stay out of jail and have your sins forgiven, even

receive eternal life, is to trust the blood of Jesus, the Messiah, our Savior!" Right: Rebekka flew in from Virginia to be company after my colonoscopy. I was thrilled when she came along to the monthly teaching service at the Set Free Program. The theme that evening: "Fulfilled Prophecies Verified by Archaeology". Young believers find out that the Bible is completely trustworthy!

Health: So that you can pray intelligently I copy the doctor's comments on the upper and lower scopes (11/7) and the follow up CT scan (11/23): "Dr Shear saw erosive abrasions in your stomach linked to reactive severe gastritis. Random colon biopsies were negative for any tissue changes. The rectal biopsies showed radiation proctitis and ulcers. One precancerous colon polyp was removed. The CT of the abdomen (small intestines) was done to look for obvious changes of mesenteric ischemia, luminal disease like diverticulitis, or potential obstruction, since your weight loss is abnormal. Result: Inguinal hernia." I can feel the bulge and there is a constant dull pain and occasional bloating. The bleeding stopped, for which I am grateful; also, that no additional cancer has been diagnosed. Praise God and keep praying for complete healing, if not, surgery might be necessary! Thank you!

Holiday Season: According to Scripture, in winter (December) the conception of the Messiah took place. During his ministry year Yeshua visited Jerusalem during *Chanukkah*, even though this was not one of the mandatory pilgrim festivals. We read in John 10:22-23: "The *Festival of Dedication* took place in Jerusalem. It was winter, and Jesus was walking in the Temple in Solomon's portico." The holiday season is a good time to (*re*)dedicate our lives to Almighty GOD, for personal purity as well as for service. (Read the historical books of the Maccabees.) Chanukkah is also the *Feast of Light*! Yeshua called out: "I am the LIGHT of the world, whoever follows me shall not walk in darkness, but have the LIGHT OF LIFE!" (John 8:12) HIS LIGHT is guiding us securely into 2023! May we joyfully follow! Thank you for all your prayers and support throughout all these years!

With a grateful heart I greet you, linked in GOD's love Kurt
