Update on the Ministry

This has been the busiest summer ministry I have ever had with OAC, and what a joy it has been! From June to the beginning of September we have had 55 outreaches and numerous conversations. We praise the Lord for the gospel going forth all over Maryland to thousands of people! God has graciously provided more than we could ever have imagined. While he meets every need financially, we rejoice even more in His sanctifying hand in our lives. We pray that we will decrease, and Christ will increase! Here are a few prayer requests and praises:

1. Pray for the last 15% of support to be raised.
2. Natalia Hope Itzel was born on June 6th (praise)!
3. For continued growth in faithfulness to the Lord in our lives, ministry, and family.
4. For the Lord to save people out of sin for His glory.
5. For more opportunities to equip the local church for the work of the ministry.
6. Praise: provision of a personal vehicle and ministry vehicle!

Our Family

The Gospel Going Forth

We have had the privilege of giving to gospel to thousands over the last few years, but it is always a joy when we can have follow-up with someone we pointed to Christ. Recently, I came across a man in Frederick named Corey. I had given the gospel to him months before, and this time we had a similar conversation but seemingly with more progress. Last time he left saying "This was different than I expected!" (Praise the Lord)! This time we shook hands and spoke of our next conversation together. We have now conversed about the gospel and God's Word for almost 3 hours combined between our two conversations. Please pray with us for Corey that we will be able to talk again about the gospel, but most importantly that the Lord will work in his heart and save him!

OAC USA National Staff Retreat

Conversations / Preaching

Through the team effort at our outreaches, we have been able to give the gospel in conversation and preaching to over 2000 people! Praise the Lord for these opportunities and our volunteers who join us so that we can point these many people to Christ!

Teaching

This summer we had the privilege of not only training interns from another missions organization, but also holding our National Sketch-board Evangelism Training. We taught 4 students for a week, facilitating opportunity for them to give the gospel to kids and adults!

Outreaches

We have had around 55 outreaches in cities like Frederick, Baltimore, Silver Spring, Ocean City, MD, and many others! We praise the Lord for the gospel going forth!

Kids Clubs / Chapels

We had many kids clubs during this summer, praise the Lord, and it was a true blessing to serve at Camp Wabanna this summer as a chapel speaker. I preached the gospel 5 times to around 140 students each day. Pray for the truth to sink into their hearts and for the Lord to bring them to a knowledge of the truth!
