

We are now bringing bibles and study guides to the children after the program is over. The Kid’s Club opened the door for us to reach these children. Praise God for the ministry and for the wonderful team of teens from Michigan.” **Pastor Pete Kane**

“This trip really boosted me in my faith. There was this one conversation when I was handing out tracts by the board, and I turned around and saw a guy leaning up against a pillar: He was trying to figure out the riddle we had on the

sketch board. I was really nervous to engage him. I thought, ‘I’m not going to talk to him. Someone else will see him and talk to him. He won’t want to talk to me, I’m just a kid’ ...but I felt the Holy Spirit tell me I was the one who needed to talk to him. I obeyed, and ended up asking if he wanted help with the riddle. We ended up having an encouraging conversation about Jesus’ work on the cross. I was really surprised about two things 1. He really wanted to hear what I had to say. He was even leaning in to hear me better 2. I was having things come to mind I hadn’t ever thought of saying. I’m 15 and this was a grown man with a beard... but after I followed the Holy Spirit’s leading, God opened up his grace to me like I’ve never had before. That one conversation opened up the entire week for me. I shared at my church when I got home about the many gospel conversations I was able to be involved in. Praise the Lord!” **Lydia Harmon, daughter of our OAC missionaries**

A busy fall awaits. Pray without ceasing!

1 Corinthians 3:9a

Dear Praying Partners,

This summer has been a testimony to us concerning the blessing of being co-laborers with His church. Since you also pray and give to keep us going, rejoice with us over these testimonies.

"I wanted to thank you again for your commitment to partnering with Winthrop Street Baptist Church in Taunton for another year of two 5-Day Clubs in our city. As a pastor, my goal is to find ways to encourage our congregation to be more actively involved with evangelism in the community. The two kids clubs that you organized in Taunton at Hopewell Park and the Paul Bunker Apartments were both excellent! More people from our church took an active role in the clubs this year than ever before. We had kids and families from our church involved in the club, church members come to help and connect with the community. We have had a family from the Paul Bunker Apartment Kids Club begin to attend WSBC for the last two Sundays." **Pastor Pete DeAngelis**

"On behalf of El Calvario Spanish Baptist Church, we want to thank you and the team of volunteers the LORD has blessed you with thru OAC. Thank you and them for making the time to come to Chelsea, MA. It was a huge blessing to our own folks & our community, to have you come and assist us in reaching the unchurched."

"Our folks were encouraged by your compassion and great desire to just connect with others with the gospel, regardless of whatever language barrier that might have been perceived, the message got across and was understood, which helped & encouraged our people to keep seeking ways to communicate God's truth to others. It was a blessing to our community as well because the message was shared clearly and understood to the degree that God blessed us with the opportunity to see a young man come to Christ (Jose Sarmiento, please help us in continued prayer for this young man and his family), and others that were impacted by the Gospel. I share with you that we had 2 families visit us on Sunday immediately after our children's evangelism club, and we are praying for repeated visits (by God's Grace) this Sunday and others to come."

"Overall we are very grateful to your team, not only for the encouragement, but also for the fellowship and in knowing and hearing how God has worked in your own lives, reminding us that we are one body in Christ from all nations, all tribes, and all tongues to the praise of His Glory." **Pastor Sam Cruz**

"OAC did an amazing Kid's Club with Calvary Baptist Church (CBC) in Dedham MA. Eric Briscoe brought a big team from Michigan to reach children at the Veterans Road neighborhood."

"The children were waiting in anticipation even the first day knowing the team was coming. The Dedham Housing Authority was so thankful that CBC came to do the event in the neighborhood again. The town loves CBC and OAC!"
