Dear Brothers & Sisters,

**Diane and I want to thank you** for partnering with us in taking the gospel to the lost without hope. We are living in a day when many are looking for hope and truth and only Jesus Christ can give the truth and real hope (John 14:6).

**Diane and I have seen God open doors** for us to minister to children, on the street, at the beach, in assisted living homes, and on the college campus. God also gave us students from Liberty University to train, equip, and take out to share the Gospel. God also blessed us with the team from Orlando, Florida, which we trained and equipped in order for them to share the Gospel effectively.

**We have also been able to work with many** of our young adults in our local church CCB, as making disciples is what Jesus commanded us to do (Matthew 28:19–20).

**Diane had surgery recently** and had some complications, but with so many prayer warriors from across the country crying out to God, we have seen God answer prayers. She is healing well. Please continue to pray for her health and strength and also for our travels for the next two months. We are traveling to New Hampshire, Texas, Oklahoma, and Cuba.

**Funds have been coming in** for a new van, so we are now actively on the hunt for this replacement vehicle. Our present van has served us well but it is getting costly to keep on the road. We are at about 80% of cost for a new one – pray God will raise up His people to partner with us to replace the ministry van.

**As you look at the pictures** in this letter, remember that you have been a part of this ministry. We praise God for each and every one of you. Thank you for partnering with us in the call God has put on our lives.

## Prayer and Praises

\* Praise God for the faithfulness of our Lord.

\* For the many lost souls who have heard the Gospel or took a gospel tract to come to Jesus (Proverbs 11:30).

\* For the youth and adults that God gives us to train and equip to share the Gospel (Ephesians 4:11–12).

\* For Diane's and my health and strength, as we press on in the work God has called us to.

\* For God to receive the glory for the work that He is doing through you and us, and taking the Gospel to the lost (1 Corinthians 10:31).

God bless - we love you,

**Richard & Diane**

## Hampton Beach Outreach

What a blessing it is to see our home church (FCBC) ministering every Tuesday and Thursday night at Hampton Beach. This ground of sharing the Gospel was pioneered over 20 years ago! Thousands of lost souls have heard the Gospel and received a tract.

## Miami Spring Break

Over 20 years of training and equipping Liberty University students at spring break Miami, Florida. This is applying the making disciples principle of Ephesians 4:11-12!

This was the first time back into nursing home ministry since Covid hit.

It was a blessing to train and equip a youth group that came in from Orlando. We went into the migrant neighborhoods and shared the Gospel. We then conducted a closing program on the last day just loving on these kids and playing games. But, more importantly, we spent one-on-one time seeing exactly where they were when it comes to knowing Jesus. Praise God for our home church in Brandon, Florida, (CC Brandon) who went out and shared the Gospel as a team.

This was on the Amtrak going from Florida to New Hampshire. This young man was a Jehovah witness.
