December 2023

"For in Christ dwells all the fullness of the Godhead bodily." Colossians 2:9

Immanuel (God with us)! I chose the verse above because every Christian cult gets this wrong. In Colossians 2:8, Paul warns, don't let your minds be taken hostage by lies about Christ... The next verse, he hits at the foundation of it all. Jesus is fully God and able to save. Praise the Lord!

"Year in Review" We will start in January of 2023 and through pictures, walk through the year together. What a wonderful year it has been! Some dear friends blessed us with a vacation in Florida to start off our year. What a refreshing family time!

Please let us know. If you do not receive our monthly newsletters by email, and you would like to, please let me know by emailing me at: oacmichigan@gmail.com

Family Vacation in Florida (January)

How encouraging, spending some time with staff man (Peter O'Driscoll) in Orlando, FL. Praise God for the school opportunities, where he is faithfully sharing the Gospel.

National Field Director responsibilities involve my traveling out of state a bit more often. The weeks I am away, the weekly high school programs continue. I am so thankful for the pastors and churches I get to partner with in these crucial ministries.

Zehnder's Snowfest

January - May the High School and College Campuses are in full swing. This spring, it was a blessing to be able to speak at Baccalaureate for one of the high schools.

Michigan Colleges...
MSU, CMU, WMU

OAC Branch Dallas, Texas

OAC Branch Inland NW, Idaho

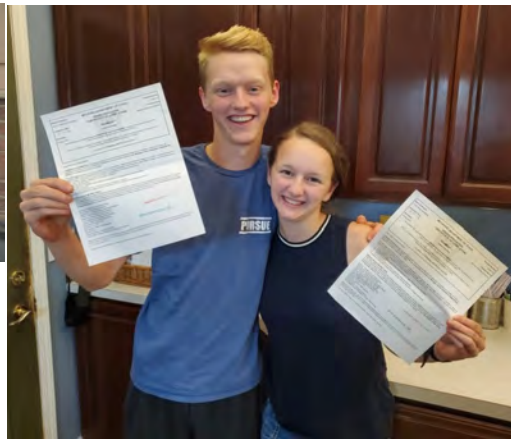

Camp Barakel Family Camp - Michigan

Every year, I have the blessing of spending intentional time at each of our OAC Branches. In April, I was able to visit both Rick and Dovie Moore (Dallas) and Mark and Angela Kennedy (Idaho). Our staff all have such a passion for the Gospel and compassion for the lost. I praise God for our OAC team.

Congratulations! Isaac, Silas, and Lydia all received their driver's license or learner's permits in May AND Isaac graduated from high school.

Congratulations! Eli and Sarah (now Harmon) were married June 10th. They still have these smiles on their faces. They have started their own business "Harmon Welding & Fabrication" and are actively serving in our church.

We love the weeks we get to serve at Camp Barakel (family Camp in May) and (Jr. High Camp in June). God has caught the heart of many campers during their week at camp! Also, we love serving together each year with Nortonville Gospel Chapel at their Family Vacation Bible School (pictured below).

Grandparents-R-Us!!!

July was a full month of joy, but the arrival of Ella Joy Harmon (Titus and EmaLee's baby) tops the cake!!! Kimberlee and I are so smitten by this little one. Praise God for so many answered prayers. Ella was born July 14th, a day after my birthday.

Silas and Lydia spent their summer serving at Pleasant Valley Bible Camp. Isaac joined them for a week too, but spent most of his summer at his job.

The two pictures above show the training day and team we took to Boston from our church. There were 22 of us. God worked in and through us while we were there. One evening, I spent some time encouraging our team to work on utilizing one of the greatest tools in evangelism (listening for and obeying the Spirit's voice...). Our daughter, Lydia (15), put that to practice the next day in the open air. Long story short, God poured out such grace to her for obedience and after obedience. What more could a father ask than to see God become so real to his daughter? Praise the Lord!

Also, in July we held our annual S.E.T. (Sketchboard Evangelism Training). It was in Baltimore again this year (picture to the right).

In August, our family went to Nebraska and spent a week with friends at Faith Community Church and Pleasant View Bible Church. We were able to spend some time training in evangelism. Our family was refreshed and ministered to. We are blessed to have the family of God! Later in August, I took trips to visit with our OAC Branch in San Jose (right top) and our LA Branch (right bottom). I wish there was room enough to share the testimonies that go along with these pictures. God is obviously going before, with, and behind us. So thankful for our staff in California!

OAC/USA Staff Conference
(Bible Museum, DC)

Central PA Branch
(Penn State)

Fall high school ministries have all started back up (six clubs each week during the lunch hours). How awesome to see the Gospel preached in these public schools! There are about 175 teens that attend each week.

(Left) Every October, I get to join other OAC staff for a week to teach evangelism at GBSC. This year, I was able to bring Isaac and Silas. These are precious times! I am thankful for how God is using this college in Cincinnati.

This picture (on the left) makes our hearts so happy! Zachary and Ellianna are bringing Elowen Anne into the world soon (December 22nd). Please pray with us for this special arrival and all that surrounds this time. The picture above is a picture of me preaching in the country of Malta last week. Obviously, not enough room here to share what a blessed time this was. Please jot us an email, if you would like our monthly email newsletters (oacmichigan@gmail.com). We would love to send you current testimonies of what God is doing, pictures, and prayer requests.

Glory to God! In OAC we have a saying, "We count people because people count." In 2023, I have had the pleasure of preaching over 100 times in the public high schools, 3,000 souls have heard the Gospel in the open air, 64 people have received Christ as their Lord and Savior. We have driven an averaged of 4,250 miles each month for the past 30 months. We covet your prayers!

Have a blessed Christmas season

Annual Harmon Family Consecration

Thank you for partnering with us!

We could not do what we do without you. While writing this letter, I have had to sit back and just praise the Lord for His goodness and faithfulness. Thank you for being part of the blessing of God in our lives.

Until the net is full,

Brian & Kimberlee
