### WHO ARE THE OPEN AIR CAMPAIGNERS?

OAC is a world-wide independent evangelical mission that God raised up in 1892 in Sydney, Australia. In today's world, multitudes of people will never step foot inside a local church. OAC endeavors to go OUT to this great and needy group of unreached people. We go to parks, fairs, housing projects, boardwalks, schools, colleges and universities, preaching the gospel. OAC staff minister in fourteen states in the US and in over thirty countries. OAC/USA is trusting the Lord to use this ministry to impact 25 cities in the US with the gospel through open air evangelism and other ministry by strategic establishment of branch ministries by the year 2025.

“The style of training, including the combination of well-organized lectures, classroom practice and modeling of the ministry skills, and the field preaching/presentations/work, leads to skills development and competence in open air preaching.” *C.J., Sarasota, FL*
