Open Air Campaigners - Central Services

FEBRUARY 2024

2024 IS OFF TO A GREAT START!

IT'S HARD TO BELIEVE that the end of first quarter of 2024 is almost upon us! Already this year, much ministry here in the States and around the world has taken place. In our Pennsylvania Central Services office, we have shipped open-air supplies to New York, Boston, California, Texas, Pennsylvania, Florida, Arizona, New Jersey, and Arkansas. We now assist our leadership in preparing for our Spring Break Miami outreach next month, the upcoming international staff conference to be held in Ecuador during May, and our one-week annual open-air evangelism training seminar during June in Baltimore.

OUR STAFF IN PARAGUAY have open doors to proclaim the Gospel in the open air, public schools, to Indian tribes, on military bases, and even to the police. OAC serves the church, helping it evangelize its neighbourhood through open-air film meetings. Public schools welcome OAC to present films and dramas on the dangers of drugs and other ethical issues. These are always followed by the

preaching of the Gospel. Indian tribes come to see our films and listen to the Gospel preached in their Guarani language. They are followed up by missions that are planting churches among them.

AS ALWAYS, WE ARE THANKFUL FOR YOU, OUR SUPPORT FAMILY! We thank you for praying and giving, so we can continue on. We appreciate and need your help in this way.
