

Presenting Christ by all means everywhere!
1. Corinthians 9:22

Riverton 03.01.2024 (RBE1 2024)

Dear friends,

No matter the weather, there is always a way to reach people of all ages with the best of all messages. Picture on the right: In the AWANA children's club, I examined the Bible from a scientific point of view. In addition to an exhibit of fossils, I taught the older children a puppet show, which they performed for the younger children the week after. The 'animals' told what they had experienced and felt in Noah's Ark. For example, the giraffe was very worried when the crocodile came on board, and no one wanted to bunk with the skunk. But when GOD commands something, everything happens in peace and order. In March, I will use archaeology to show how reliable the Bible is. In this way, the children get a good foundation for their faith.

Left: The homeless enjoy a meal and a short message on Wednesday. Right: Some of them are now coming to the service. After that, there are often in-depth conversations!

In the last letter I mentioned many difficult situations. Now, additionally, the garage of a team member burned down. And in Pavillion, the house where we hold our Shabbat events, is in foreclosure. Pray that God will open doors in all situations and that all who are struggling with disasters, trials, and health problems will be allowed to experience God's peace and care.

Now there are already two Hebrew groups. The beginners (picture on the right) meet on Monday at 14:00 h, the advanced on Thursday at 13:00 h. Here's what one student said about my Hebrew course: "Great! Thank you, Kurt! I love all the extra information. It is a very nice and interesting way to learn the Hebrew letters. Thank you!" (Sarah)

When you're on the road for the Messiah, there's never a dull moment. Praise GOD with me that my health is improving, so that I can plan business trips again. In May, we will first go to Ecuador for the international conference of OAC. In August, I hope to be available for services in Alsace and Switzerland. Please contact us soon if you would like an event or a visit. Time will be short, so you need to plan well.

*Thank you so much for all your prayers and support!
With best regards and God's blessing,
Kurt*
