- \* Pray for Gretel as she will have many open doors in Hong Kong to share the Gospel.
- \* For a team from Calvary Chapel Brandon, Florida, that we have been training and will join to go to Uganda, Africa, in July. We will be there from July 4th through the 15th to share the Gospel. We need to raise \$2,700 for this trip.
- \* Pray for God to build a mission team to go back to Cuba with me this October
- \* Pastor Alex was my Cuba contact who recently went home to be with the Lord. Pray for his family and the five Cuban home churches that we worked with. We continue to have a heart for working in Cuba in the future (Mark 16:15).
- \* Pray for Diane and me to seek God and His will for the ministry that he has entrusted to us. We desire to be faithful and let God lead us to open doors for the Gospel (Philippians 4:6-7).

Dear Brothers & Sisters,

**Diane and I** are thankful to the Lord for your partnership, support, and prayers as we do the work to which God has called us. You all are a big part of the ministry of sharing the Gospel to thousands of lost souls. Let us give God the glory and praise God as we press on in this great work to of evangelism. Proverbs 11:30 "He who wins souls is Wise."

### MISSION TEAMS

God has brought three missionary teams to Florida which we have trained and equipped "for the work of the ministry" as it says in Ephesians 4:11-12. Teams have come from New York, Michigan, and Liberty University to reach out on the St Pete beach pier and beyond.

### TESTIMONY

Eric Briscoe is a dear coworker who ministers in the Boston area and with whom we have worked with for over 20 years! Our times with Eric have included taking many students from Liberty University to Miami Florida for spring break outreach. We train these students and then take them out to share the Gospel. Here is a testimony from one of our Liberty students named Gretel who came to Miami this year. She is an incredible young lady from Hong Kong and writes, *"How are you doing, I thought I would let you know that I've been using and applying the paint lesson boards with the public schools in Hong Kong and thought I'd send some pictures and videos to you so you could add them to your newsletters and send them to your team supporters. I wanted you to know the people here in Hong Kong love it and are interested in learning it from me so they can teach it too! So thank you so much for holding all of the Miami mission trips training. It has been really refreshing to use it here at home in Hong Kong."*

### MINISTRY IN TAMPA

We have been able to reach lost souls at the University of Florida (USF). We continue to hold kids' clubs at locations where the migrant workers are, as well as in nursing homes and at special events held at the piers at St Pete. Throughout these past months, we have been able to hand out thousands of tracts. Thousands of souls have heard the Gospel through these tracts, and God is blessing them.

God bless - we love you,

*Richard & Diane*
