Open Air Campaigners - Central Services

SEPTEMBER 2024

OAC ♦ PO Box D ♦ Nazareth, PA 18064

YOUR FRIENDSHIP AND BACKING for Sue and me in this worldwide outreach effort of Open Air Campaigners continues to be a blessing and produce much spiritual fruit. Thank you for your faithfulness.

A GREAT EXAMPLE OF SUCH FRUIT is the ministry of Bruno Costa and his wife, Camila. They came on staff with us 23 years ago in Brazil and are based in Campinas, in the State of São Paulo which has become the national base for the ministry in that country. Both Bruno and Camila are Bible College graduates in Theology and

have incredible opportunities for outreach, especially in the public schools. After one of their recent school meetings, the vice-principal came to Bruno to talk about the meeting. He was very touched by the message and mentioned that he was in his last year of work, since he was going to retire soon. He emphasized how much the message meant to him at this point in his life. A short while later, Bruno went to get a glass of water and saw this man sharing the message with a fellow teacher through the pictures he took with his phone!

IT'S ALWAYS AWESOME to see how wonderfully God uses our staff team as they share God's Word with others. Thank you, again, for being part of our support team so we can help other OAC missionaries here in the States and in over 30 countries around the world like Bruno and Camila.
