We don't have a date for any of them yet, but please keep her in prayer that God will put the proper doctors in her path.

Dear Brothers & Sisters,

Diane and I are praising God for each one of you who has partnered with us in prayer, cards, notes of encouragement, and support. You are a big part of the ministry God has called us to. Because of your prayers, encouragement, and support, God is using all of us to reach thousands of lost souls with the Gospel. (1 Corinthians 15:1-5).

Let us give God the glory and praise Him for the work He is doing through us (1 Corinthians 10:31). But let us press on until we hear these words from our Lord, "Well done, good and faithful servant" (Matthew 25:23).

Some of the pictures will show you the work God has been doing, reaching lost souls with the Gospel this past year: the five-day Bible clubs, five of them in five different neighborhoods and teaching children the Bible with the local church. During 2024, children have heard the Gospel and been taught the Word of God. What a blessing to share the Gospel at the University of Florida and give out thousands of gospel tracts; we had many divine appointments. One young Muslim student was given the Gospel of John in English and Arabic. For the first time, he realized that Jesus is God. All he could say was, "WOW! WOW!"

Also, the beaches here in Florida are incredible adult locations to share the Gospel. Nursing homes have opened up for us to go into and share the Gospel. Many older men and women know of Jesus, but they don't have a relationship with Him.

One of the many highlights of 2024 has been partnering with local churches in training mission teams to go out and preach the Gospel, as well as traveling to Uganda in Africa (Mark 16:15).

Enjoy the pictures and join us in prayer as we go into the new year of 2025.

- * We will be a part of the three mission teams, training and equipping them to share the Gospel.
- * We are praying and working with one youth leader in a local church to build a nursing home team to share the Gospel.
- * God has opened the door for us to train and equip a local church in Uganda, Africa, as well as CC Bible Institute students in June 2025 in that country also.
- * For Diane's and my faithfulness to our Lord. Diane has been hospitalized a number of times in 2024. The good news of Jesus went forth to many doctors, nurses,
