## Update on the Ministry

What a joy it has been to do ministry this year. We are so undeserving and yet God has still chosen to use us in this partnership together for His purposes! This year we have seen multiple people profess faith in Christ, trained over 250 people on the content of the gospel and on evangelism, been part of 3 missions trips, and preached in many churches. This is all grace from God. Here are some prayer requests as we look into 2025:

1. Pray for the last 17% of our support to be raised.
2. For our family to continue to grow in godliness and for the salvation of our daughters (Sofia and Natalia).
3. Pray for the salvation of the lost and the equipping of the saints through the ministry.
4. Pray for this new year of ministry to be full of God glorifying service to the Lord, and many open doors.

## The Gospel Going Forth

It was a normal day in Towson, giving the gospel to college students and anyone walking by the library bus stop. A young man came by named Jaquan. We engaged in a conversation, and he asked many questions about the gospel. After about an hour and a half of talking, missing his bus so he could continue to ask questions, I finally asked him if he was ready to turn and trust Christ as His Lord and Savior. He knew the gospel, was able to articulate the gospel, and it seemed to me he was ready to turn and be saved. I simply told him I was glad to continue to talk to him and answer questions, but that ultimately, I cannot do anything for him. I told him, "If you know you are a sinner and Jesus is the only way to be saved, you need to call on Him!" After a moment he told me he wanted to pray and repent of his sins and trust in the Lord! I prayed for him and then he expressed his heart to God, calling on Christ to save him from his sins. We praise the Lord for this and continue to pray for Jaquan and others, that more will come to Christ. As you partner with us, you are reaching people like Jaquan!

## Tracts

This year we have handed out more tracts than nearly any year of ministry thus far! We handed out 14,305 tracts in 2024! Praise the Lord for the gospel going forth in written form!

## Proclamation

In 2024, we have been able to share the gospel to 5,953 people through conversations, preaching, or at speaking engagements. Will you pray with us for the salvation of those who heard the gospel?

## Outreaches

God has given us an amazing privilege of giving the gospel through 210 outreaches this year. The Lord has graciously helped us to hold more outreaches in 2024 than any year in the past. Pray for even more outreaches in 2025!

## Training

God has opened the door for 23 speaking/teaching/training opportunities so far this year. In this year so far, we have trained 264 people on the gospel and how to share it.

Praise the Lord for the opportunity to fulfill this aspect of being an evangelist!
