## Update on the Ministry

It has been a blessing to do the ministry this year with OAC. We have had many conversations, more trainings of individuals than any year at this point, and even seen a man make a profession of faith in Christ. We praise God for how He is using this ministry! Even with a few weeks off for furlough to care for Tasia after her surgery, we have had a great amount of ministry so far in 2025. Here are some prayer requests for our family:

1. Pray for the last 23% of our support to be raised.
2. For our family to continue to grow in godliness and wisdom as we raise Sofia and Natalia.
3. Pray for the salvation of the lost and the equipping of the saints through the ministry, and for another staff member for our branch.
4. Pray for me as I prepare for more leadership with OAC.

## The Gospel Going Forth

It was a cool day in Gettysburg, PA. My dad and I were out and having some good conversations with people about Christ. After awhile, a man walked by and I was able to engage him in a conversation. After talking for awhile, it was clear this man was on hard times. His name was Craig. He and his wife were divorced, they had a son, and now all of them were homeless and trying to figure out life. He told me before I spoke with him, he was going to get drunk, trying to drown out the sorrows of life. I told him that God has called me to go and preach the gospel to the lost, and so it was no coincidence that we met today. I gave him the gospel multiple times, pointing him to Christ, and calling him to repent and believe the gospel. By the end he seemed ready to trust in Christ. I said, "What is keeping you from turning to Christ?" He responded, "Nothing, I am ready!" So, Craig's called on the Lord to save him! After that he left and said he was going to cry and read the Bible, we gave him, so thankful to have found this hope! As you partner with us, you are reaching people just like Craig!

So far this year we have handed out near **2400** tracts! Praise the Lord that the gospel is going forth in written form! Pray that these tracts will be used of God to bring people into His Kingdom!

## Proclamation

In 2025 so far, we have been able to share the gospel to **1055** people through conversations, preaching, or at speaking engagements. Will you pray with us for the salvation of those who heard the gospel?

## Outreaches

Despite being on a medical furlough for a month, we have still been able to hold **38** outreaches reaching the lost with the gospel. Pray for us as we are planning for a very busy rest of 2025 in ministry!

## Training

God has opened the door already for **11** speaking/teaching/training opportunities so far this year. In the trainings we have hosted, we have trained **115** people on the gospel and how to share it. Praise the Lord for the opportunity to fulfill this aspect of the Evangelist's call!
