# Frank's Update

## Open Air Campaigners (OAC)

### SOUTHERN CALIFORNIA BRANCH

*Hello - your support, which ensures the glorious Gospel goes out on a regular basis in So-Cal, is greatly appreciated! I also praise the Lord for the ministry partnerships that made many of these opportunities possible. Some of those who I linked hands with are identified below. On the other side of the battle, I've seen an increase in physical altercations at our regular outreach locations. Thankfully, no one from our team was involved. I hope this handful of stories encourage you to even more love and good works...*

**Little Lambs:** A regular team member connected me with this special children's ministry. On the heels of covid, a Sister began an outreach to new Moms and their little kids at a public park. By His hand, it grew into twice-a-week meetings in a church in Anaheim. I was blessed to share His word with them on Valentines Day and in celebration of Resurrection Sunday.

**2025 Calvary Curriculum Conference:** I returned to this two-day conference intended for those who minister His truth to kids. Its location was changed so even more could attend this year and they did -- 220 churches were represented! I led two workshops, that a total of 50 people came to and more partnerships have already happened as a result! Here's a website with a short video about it: [vimeo.com/1021994348](https://vimeo.com/1021994348)

**Encouraging News from Abroad:** Recently a new OAC nation has opened up by His grace! Nigeria is the latest country to have an official OAC presence. This nation is also the 7th ranked country in regards to Christian persecution. Please pray for the grace of the Lord to be upon our new team there and that He would be glorified.

### Thanks and Praises:

- Improvement with my friend's marriage
- A sweet time at the US family conference
- The Lord's faithfulness and sovereignty
- For all who support and pray for me

### Some Stats (since 13 Feb)

We shared the amazing Gospel **34 times** with **nearly 1,000 souls**. Of those, **nine professed Jesus as their Lord and Savior!**

"We count people because people count." - Jim Duffecy, former OAC International President (1966-1983)

### Prayer Requests:

- Wisdom with important home and church decisions
- The Lord's help in all things
- More faithful servants to join our ministry team
- The Lord to provide the increase...

"I planted, Apollos watered, but God gave the increase. So then neither he who plants is anything, nor he who waters, but God Who gives the increase." - Paul, 1<sup>st</sup> Corinthians 3:6-7

**Ministry at My High School!** I got a late call from a Brother, who leads Disciples of Christ. They pass out Gospel tracts at LA and Orange County (OC) schools. I intended to say *no* to his invitation to join them, until he said that they planned to go to the High School that I graduated from. Most of the students gladly received the tracts and I was great seeing their eyes widen when I told them that I also attended there.

**OAC US Family Conference:** We had a great gathering at Mount Hermon in Santa Cruz. Just over 50 saints made it - all but two of our US locations were represented. I drove there with three others; Russ from the So-Cal branch and Mike & Renae Bussen, who flew from PA to LA, so they could visit a family member before the conference. The Bussens also joined me for an outreach at Redondo pier.

**Juvenile Halls:** On Resurrection Sunday, I partnered with Chaplain Rick of Pacific Youth Correctional Ministries and shared at two OC facilities with a total of 35 young adults. One guard was intrigued with my math puzzle, so I gave her the painting. The chaplain later informed me that some inmates were special needs learners and that the visual presentation helped them understand the Bible story better.

**Car Race Fans:** I joined seven Brothers from Sports Fans Outreach International for a day at the Long Beach Grand Prix. We set up at two locations near the fans' entranceways. Many people heard the Bible preached and received Gospel tracts.

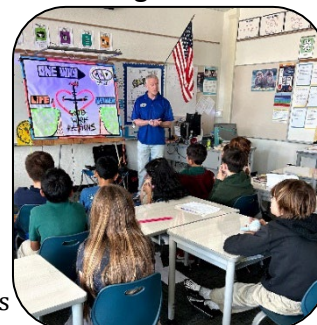

**Going Further...** I was encouraged hearing that supporting church in Murrieta, CA is continuing to share the Gospel in their community using OAC tools!

**Public Schools:** I'm thankful that we still have open doors to share God's word with the kids in public schools in the US. Along with Child Evangelism Fellowship and Released Time Education saints, I shared in two schools, Dooley in Long Beach and Gompers in Lakewood. Both were a blessing!

*As the weather and the spiritual battle heats up, keep looking unto Jesus. Feel free to contact me with any questions or concerns. My next update should be out in August. Shalom, frank*

As OAC missionaries, we depend on the Lord to provide financially through His people and church fellowships. Recently, my financial support was 73% of my monthly goal. Donations are tax-deductible when made out to "OAC" and mailed to OAC, P.O. Box D, Nazareth, PA 18064. Please include a note stating that your gift is to go into my account. On-line giving can be done at [OACUSA.ORG](http://OACUSA.ORG). When there, click on "Giving" at the top and then on "United States click here." Under "Choose A Designation-Fund," you'll find me listed as "Baldus-Frank." Lastly, OAC is a member in good standing with the Evangelical Council for Financial Accountability. - *Thank you!*
