

JULY 2025

# John & Sue Cutlip Update

Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

As I write this letter, our granddaughter, Lexi, is participating in a mission trip with other teens in the Republic of Rwanda. Tomorrow morning, I will leave to assist one of our staff members who is helping a local church in Rochester, New York, with a Fourth of July weekend event. This week, our OAC branch director, Brian Harmon, has taken his team from Michigan to our Boston branch. They are working with local churches in reaching their communities for Christ. Last week, I helped our local church with a five-day children's summer program, and next month, I will be assisting a local church on the south side of Bethlehem and in Allentown with their neighborhood outreach endeavors.

In the meantime, Sue and I are looking forward to celebrating 49 years of marriage on July 31! It's been an incredible journey, and God has blessed us beyond measure. I should write a book about it. In fact, I am writing a book, but it's a book about the history of Open Air Campaigners. I've been working on it for over five years now, and it's finally almost ready to print.

Again, thank you for being part of our support team so we can help our OAC staff and those we train here in the States and over 30 countries worldwide to "Present Christ By All Means Everywhere."
