

John & Sue Cutlip Update

Open Air Campaigners - Central Services

NOVEMBER 2025

OAC ♦ PO Box D ♦ Nazareth, PA 18064

For the past few years, I have been working on a special project as time permits. My co-worker in Los Angeles, Russ Hodder, got the ball rolling on this project and then handed it to me for completion. Reports from OAC staff around the world have been coming my way, and I've been compiling them into a history of our work from 1983 to the present. It's important to record what God is doing through us, and this has been a thoroughly encouraging task, although fraught with delays and setbacks. I'm convinced that the enemy doesn't approve of what we are doing, but we are finally close to sending the final draft to the printer. It's been posted online at oacstaff.com/history for preliminary access but will be in hard copy form, Lord willing, early in the new year.

In the meantime, other ministry continues. As I write, I'm reminded of a great opportunity this past July that came my way. A co-worker in New York State asked if I would come and help with ministry outreach to children

whose parents have immigrated from the countries of Nepal and Bhutan. We spent a week ministering to these kids in the Rochester area. I am thrilled to have been involved in

such cross-cultural ministry without having to travel 7,000 miles and spend 30 hours on a round-trip journey to South Asia!

Again, thank you for being part of our support team as we "Present Christ By All Means Everywhere."
