Dear family in Christ, thank you for helping us spread the Gospel out where the people are! Please enjoy some highlights these last few months of ministry!

We love helping churches present the Gospel at Five Day Clubs. This one was in Lawrence, Massachusetts. It was so good to have Chloe back from college for the summer to be help us out!

An extra fun blessing was having our pastor, and his family come and help us along with our friend Macy! I'm so thankful to have a pastor with a heart for the lost.

I love seeing believers break the sound barrier! It can be very intimidating to open your mouth and share the Gospel with strangers, as if there's some type of barrier trying to keep you from doing it. But once you break through, wow is it fun!

We had such an awesome group of volunteers at each of our Hampton Beach outreaches this summer! (The above picture was probably the most we had at once). One of my favorite things is when people come who are new to street evangelism. It's so cool to see them swallow their fear and engage the lost with the Gospel!

I always say that the hardest part of evangelism is showing up, but if you keep doing it God will use you.

Nick and Borris were both trusting in their good works to save them, but Nick knew that Jesus had something to do with it. After diagnosing their sin disease with the “good person test,” I asked if it’s logical to think we could cure a disease with good works.

“Nope.”

I shared the good news that God provided a cure for our disease by sending Jesus to suffer and die for us on the cross. His blood is so powerful that when we trust in His sacrifice, we are literally born again! He cures the disease of sin and pays the penalty for our transgressions. Hallelujah! They asked me how I came to turn away from my old life, so I shared how Jesus delivered me from New Agism and the occult 29 years ago. I encouraged them that while following Jesus is difficult, it’s worth it!

Pray for Nick and Borris that the good seed of the Gospel would be planted firmly in their hearts and bring forth the fruit of salvation.

Ryan stopped by to thank us for our ministry. He told us that he had walked by us for years and purposely ignored us because he was running from God and practicing witchcraft. Amid his rebellion, a friend of his shared the Gospel with him and encouraged him to give his life to Christ.

Two days before this picture he repented of his witchcraft and gave his life to Christ. The next day, he bumped into a Gideon who gave him a Bible. The day after that he bumped into us. We were able to encourage him in his new-found faith. How cool is that! Please pray that he grows in his relationship with the Lord.

Rowen had tons of good questions! One of my favorites was, “How do you reconcile the idea that Jesus is God with the fact that there’s tons of other religions in the world?” I asked him, “If the actual Creator of Heaven and Earth were to show up in the flesh, what would it look like?” “I don’t know. What do you think?”

“Well, if the One who made the human eye became a person, perhaps He would be able to re-create eyes and give sight to the blind. If the One who made the ear showed up, perhaps He could re-create it and give hearing to the deaf. If He who made the human body showed up, perhaps he could re-create the body and cause cripples to walk. If the One who made the water showed up, perhaps He could walk on it?”

“Wow. So, Jesus is God! Is that what you’re saying?” (It was like a light bulb went on).

“Absolutely! No other religious leaders did any of this. Only Jesus, Yahweh made flesh.”

Please pray for Rowen that he would bring his great questions to the Bible and find his answers there.

Thank you so much for your prayers and support of our ministry!

Here are some prayer needs going into the new year:

- Pray for Chris’s family as his father recently passed away.
- Pray for our support to increase so we can devote more time and resources to this vital ministry.
- Pray for God’s favor and protection for Chris and the team as they share the Gospel with people on college campuses and in the Boston subways (when it gets colder out).
- Pray the Lord provides a 1TB Macbook Pro laptop and a new vehicle for Chris, as his current laptop is 12 years old and his vehicle has very high milage.
- Please prayerfully consider becoming one of our monthly financial partners.

We go out to bring the gospel of Jesus Christ to where the people are because **people matter to God!**
With love in Christ, *Chris, Bonnie, Chloe & Bella*
