Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. 2 Corinthians 5:17

Are you tired of the same old newsletter? We totally understand! Penn State, Lock Haven, State College. Penn State, Lock Haven, State College. Oh, then there's summer camp and shop work. Yep, the same places, just different people. Let's do something different.

We bought a 3D printer! Below I'll show you why. Not just for fun, although it is that!

Well, here it is. May not be much to look at just sitting there, but when it starts to print, grab your jaw!

In our training, at least 26 years ago when I went through the training, we were told use 90% Law and 10% Grace. Most people think they're good enough to get to heaven till you take them through God's Law!

Above you see a Round Tuit. Many people when we tell them they need to trust Jesus for their eternal salvation, they say, "someday I'll get around to it". So I give them one to remind them to do just that. The item on the right we call a Check Mark. This would take up too much space to explain so go to, oacusa.org, supplies, Checks and Balances to see how this is used.

No, I didn't 3D print this one. I got this idea from one of our former staff members. The students on campus are usually in a hurry so we give them an opportunity to scan the QR code and watch a short Gospel presentation on their own time.

PRAISES:

- *God will never leave us nor forsake us!!!!
- *He has a plan and we can trust Him ALL the time!
- *That He not only saved us but allows us to be co-laborers with Him.

PRAYER REQUESTS:

- *Fruitful ministry!!!
- *That we will keep our eyes on Jesus, wait on Him and follow His plan for Chip's prostate cancer, tinnitus and sleeplessness and for Kim's Mild Cognitive Impairment
- *Salvation for lost family members
