Frank's Update

“But God demonstrates His own **love** toward us, in that while we were still sinners, Christ died for us.” - Romans 5:8

*Greetings in **Jesus'** matchless Name! I'm thankful for another opportunity to inform you of what the gracious Lord has been doing in & through me. For nearly half of this reporting period, I was very ill. It began with an upper respiratory cold with four symptoms. I was tested for the two major flus going around & for covid, but all were negative. I was given over-the-counter medicine & sent home to continue to rest. It continued to get worse & I was ultimately diagnosed with pneumonia!*

*By that time, I had also been tested for tuberculosis & had noted 12 more symptoms that I'd experienced. The worst were the night sweats & the vicious chills, although I was heavily-clothed, under a blanket, & in a warm room. It was the longest period that I'd ever been sick & I lost about 13 pounds! Currently, I'm ~90% back to normal, **thank the Lord & all who interceded & cared for me!***

Townsend Bible Club: When we arrived to minister to the kids on this Wednesday afternoon, three police cars were there. The officers had two young men in cuffs ~30 feet from where we set up the paint board! We waited the situation out & had a good time with the kids.

The Mission Inn: Just before my sickness began, we shared the Gospel again at this famous Riverside hotel. It goes the extra mile in decorating for the holidays & that brings out many souls. A group of saints from a church that supports me also served the Lord with us.

Snow Fun & Ministry: A good Brother invited me to join his family at a local snow resort for a couple of days & I jumped at the opportunity. Along with good fellowship, some ministry doors opened up. While getting ready to go down a run, a young guy asked me a pornographic question. I replied that I was a follower of the Lord Jesus Christ & he responded by quoting John 3:16!?! I then replied that every knee will bow & every tongue confess that He is Lord & rode off.

Next on a chair lift, I met **Dale**, a 30-year Navy veteran. He grew up Baptist, but had turned away & was more into Eastern religions. He did cite C.S. Lewis in our discussion & said our conversation was 'interesting.' Later, on a different lift, I met a young Asian man who was turned off by church hypocrites. I encouraged him to look to the Lord verses people & reminded him that we will all face Him, one-on-One. Lastly, I met another man snowboarding by himself, who said he didn't have any spiritual beliefs. I encouraged him to look into the claims of Christ.

Me teaching on a different day than the one described above.

Stats (since 15 Nov '25)

I participated in **19 Gospel outreaches** & we shared with **over 500 people**. Of those, **eight professed Jesus as their personal Lord & Savior!**

 "...they reported all that God had done with them..." - Acts 14:27

“For You, Lord, *are* good and ready to forgive and abundant in mercy to all those who call upon You.”
 - Psalm 86:5 (King David)

Barbara (on the left) ministering

Large Community Event: I partnered again with Sister Barbara from Extended Family Outreach Ministries at an event with many other groups. Most of them seemed to be governmental agencies from LA County. The event was originally scheduled to be held in a local park, but heavy rain forced it inside. One group’s name was from the Bible, but the ladies overseeing the table didn’t realize it until I showed them. Barbara & I were a bit cramped, but also joyous to shine the light of the Gospel there.

2025 National Totals: Last year in the US alone, OAC shared the glorious Gospel at nearly 4,200 meetings, with **over 62,000 people!** Of those, **927 make public professions of Christ Jesus as their Lord & Savior!** Also, we now have branches in **31 nations!**

Prayer Requests:

- Healing for Russ, my OAC ministry partner’s eyes

- ❖ For the amazing word of God

Sherry (at left) sharing with a big group of kids

Covered by the Troops: Towards the end of my pneumonia, two of my faithful volunteers borrowed my equipment & ministered the Gospel without me! There, Sister Sherry got to counsel & pray with a Christian woman who was married to a Muslim man -- *Thanks again Mark & Sherry!*

Special Helper: OAC USA’s Field Director, Brian Harmon, recently visited our branch for a few days & joined us for an outreach.

Your sacrificial & generous support motivates me to press on in this Gospel ministry--thank you! Lord willing, my next update should be out in May.
