## Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

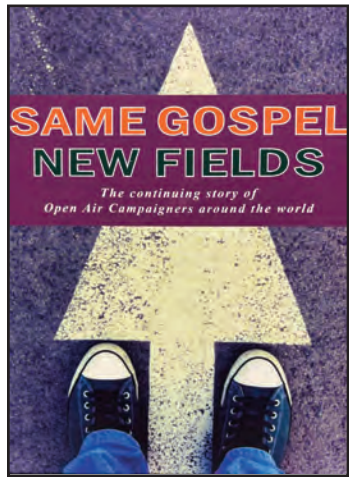

### A NEW WORKER FOR OUR CENTRAL SERVICES OFFICE!!

After many years of praying for the person of God's choosing, He has led a young man by the name of Clive Liu to join us at the Central Services office. Sue and I were able to be part of the leadership team at our Orientation-Candidate School in Baltimore a few weeks ago where Clive and four other individuals received training and onboarding instructions to become Open Air Campaigners missionaries. Clive currently lives in Maryland and will be working on raising prayer and financial support before relocating to be with us here in Pennsylvania.

### A NEW EDITION OF OUR HISTORY BOOK

It is a great blessing to be part of an organization, which God raised up 134 years ago, to effectively share the Gospel with folks who will not or cannot enter a local church to hear. Back in the early 1980s, Sue and I assisted our International Director, Jim Duffecy, compile a history of Open Air Campaigners from 1892 to 1983.

For the past several years, I have again been part of the process, this time tracking our history from 1983 to 2025. God has used our workers here in the States and around the world to open up over 40 new fields of service! I like to remind myself daily that Sue and I are part of something bigger; to help visualize this, I've dedicated one of my office walls with pictures of our global staff (see below).

As a thank you for standing with us all these years, I'd love to send you a free copy of this newly published 437-page history book with lots of colorful pictures. If you would like one, just send me your shipping address, and I'll make sure it get's sent to you right away.

Again, thank you for being part of our support team as we "Present Christ By All Means Everywhere."
