Update on the Ministry

Proven to be a busy year. We have had many outreaches, worked with more churches for outreach together, and even released a book on evangelism! As we continue to what will likely be the busiest year of ministry thus far, we ask you to pray for us that we will be faithful in all of life and ministry. Here are some prayer requests for our family:

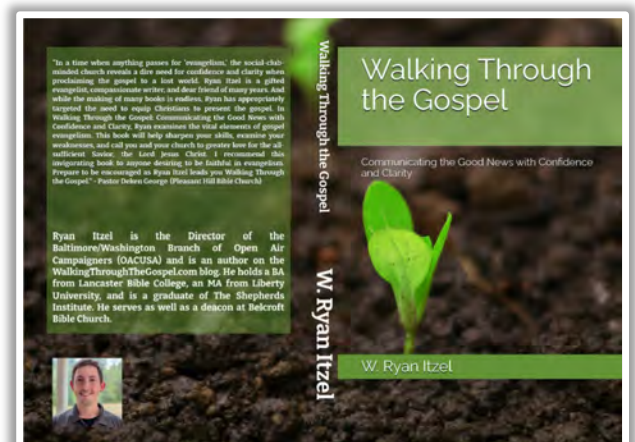

1. Pray for the last 23% of our monthly support to be raised.
2. For our family to continue to grow in godliness and wisdom as we raise Sofia and Natalia.
3. Pray for the salvation of the lost and the equipping of the saints through the ministry, and for another staff member for our branch.
4. Pray for wisdom as I serve as the Branch Director of our area.

The Gospel Going Forth

Throughout the years I have always loved writing. As minister of the gospel, my heart is for the spread of this good news and for the equipping of the saints for the work of the ministry. Back around 2018/2019 I began writing on the content of the gospel, motivations for evangelism, and how the conduct of the minister. Throughout the years I developed these ideas more, wrote more, and taught evangelism trainings which aided my understanding of how to communicate the gospel with clarity. As someone who grew up hearing the gospel but struggling to communicate it when I was young, I wanted to write a book that would help every believer be ready to communicate the good news with confidence and clarity to those the Lord brings by their way. Now after all these years, *Walking Through the Gospel: Communicating the Good News with Confidence and Clarity* is finally complete and, through self-publishing, available for purchase. We pray this book will be used of God to encourage believers to be faithful to share the gospel with this lost world!
